MEMORANDUM FOR THE RECORD

RE: GIFT WRAPPED PACKAGES FROM THE PRESIDENT

On December 30 and 31, and January 2, a number of gift-wrapped packages were:

- 1) delivered in-house to staff members or
- 2) mailed to staff members and friends of the President.

The attached copies will provide:

- 1) some idea of the size and/or the manner in which each package was wrapped and
- 2) whether it was delivered in-house or mailed.

In some instances, where packages of the same size were sent to several people, the file copy will show the package along with two or more mailing labels. In these instances, each person whose name appears on the mailing label received a package identical in size to the one appearing on the copy.

File copies with no mailing labels indicate gifts delivered to staff members in-house
