Dear Bill + Hillary,

We are sending you a set of the pictures Rod took at the Mansion on December 20th. Thank you both for a wonderful day. The people I work with at Wadley Regional Hospital in Surgical ICU have enjoyed looking at them as much as I have. They nicknamed me "First Nurse." I really enjoy working with all of them.

Hillary be sure to compare the picture of Courtney + Chelsea now with the ones I gave you at the Christmas Party. It is amazing how fast they are growing. Courtney's Advanced Social Study Class will be coming to Washington D.C. in June + he is really looking forward to it. I hope he will get to ^{see} you all.

Bill when you came to Hope back in July, I was in Ft. Worth, Texas taking my RN Board Exams. It made me sick not to be able to be there with you + pap-pa + everyone. That is one reason I was so excited to get to see you all in Little Rock for Christmas. It was so crowded, but I wouldn't have missed it for anything.

Before I close, a line to let you know pap-pa (Uncle Buddy) is doing fine. It is amazing how well he is for his age. I wish so much mam-ma

could be here to experience all this excitement. You will be the best President ever + I know Hillary will be the best First Lady. Enclosed is also a letter to Chelsea from Courtney.

Your Cousin,

Denise

P.S. Please make sure we are on the mailing list we got an invitation to the Inauguration but we didn't get the card with all of you pictured on the front. I'm about 30 days our new address will be: 305 S. Circle Dr.
Hope, AR 71801

Dear Chelsea,

I had a fun time at the Christmas party.

Maybe we can write to each other.

My advanced Social Studies class is coming to Washington D.C. June 6 through the 11, maybe you could give my class a tour of the White House.

When Bill comes down to Hope you and Hillary should come too ~~the~~ because ~~of~~ everybody ask about you and Hillary. We are going to be unable to come to the inauguration, but we are going to try to come later on a vacation.

Sincerely your cousin,
Courtney

I am moving so my new address will be:

President Bill Clinton
United States of America
The White House
1600 Pennsylvania Avenue, NW
Washington, D.C. 20500

Dear President Clinton:

You sent us one of the best! She talked one on one with our teen mothers and families. She talked with GED students. She talked with our public school students, teachers, and administrators. She talked with our city leaders. She talked with our residents. And she positively impacted every person she met.

Everywhere she went in East Prairie, Missouri, Carol Rasco impressed and charmed. Carol commended our community spirit and encouraged our lofty goals. But most important, we felt she listened and related to our world. Carol seriously considered our back water issue and took her time to view by helicopter our current flood situation. She understood! We believe she will do her best to help us quickly solve this debilitating problem.

We will always remember Carol at the community fish fry. She expressed genuine delight at one of her favorite meals as she quickly donned the red cap given to her by "The James Bayou Catfish Cookers." She then entertained by telling us how her mother had always frozen the last of the season catch as a special treat for her birthday in midwinter. The general community comment was, "I could take her home with me for a visit - she knows what is going on!"

President Clinton, your administration and our country are served well by Carol Rasco. Thank you for providing East Prairie, Missouri, one of your designated Enterprise Communities, the wonderful opportunity to know and work with a great leader.

Sincerely,

Martha Ellen Black
