MEMORANDUM FOR ASSISTANTS TO THE PRESIDENT AND AGENCY HEADS

FROM: CAPRICIA PENA VIC MARSHALL 

RE: FORMER WHITE HOUSE STAFF

As we prepare for the end of the Administration, we are beginning plans for a farewell celebration. The size and format of such a celebration is still being determined, however, my office is moving forward with gathering appropriate lists.

Attached please find a list of all former political staff for your individual office that has been compiled by the Human Resources Management Division of the Office of the Administration. You will find names and addresses of all former staff (1993-present), including Directors, for your office. In order to insure that former staff is included in a farewell activity (either at the White House or elsewhere) each office will be responsible for updating and verifying current addresses and phone numbers. Once this information is verified, transfer it into the attached grid.

The lists you provide will be the only opportunity for former staff to be considered for inclusion in a farewell activity. Since you have all enjoyed a holiday season at the White House, I know you understand that my office will not have the ability to independently gather or verify information on former staff. We are relying solely on your efforts. *(Please note, if you have previously submitted a list to my office, please review and carefully submit a revised list.)*

Office grids are due to the Social Office by the close of business, Wednesday, October 4th. If you are unable to verify an address, please note "unable to verify" clearly by his/her name. If you have any questions, please feel free to contact Sharon Kennedy at extension 66749.
