Dear Bill,

Thanks for your good
letter of August 15.

I have been staying out
of the "issue" business for
the most part; but I was
glad to weigh in with Senators
Pell & Lugar on the Chemical
Weapons Convention.

Yes, I did find
the Galucci - ~~De~~ Pommer
briefing on Korea very helpful.

Thank you and all at NSC
for that courtesy. Both
Galucci and Pommer are good
men. Again, thanks!

Sincerely,

Φ PERSONAL

Dear Dan,

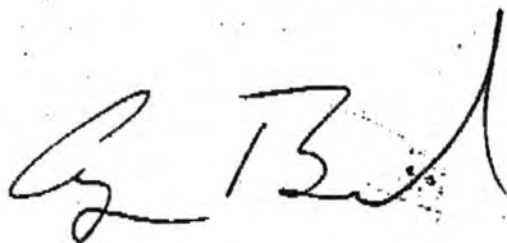

I just want to thank you for your key role in that excellent Korea briefing. I feel that I understand the problem much better now.

The only thing bad about your coming up here with Bob Galucci is that the briefing and visit made me realize that I do miss the work I used to do with our great NSC and State team on foreign affairs.

I hope Geneva went well.

Again, thanks for the 'extra-mile courtesy' you showed me in coming up to brief on the eve of a very important trip.

Sincerely,

Dear President Bush:

Thank you for taking the time to meet with Bob Gallucci and me to discuss the North Korea nuclear issue. I hope you found the session worthwhile. We will update Arnie Kanter and Brent Scowcroft after the current round of US-DPRK talks concludes.

I also wanted to thank you and Mrs. Bush for your gracious hospitality at Walker's Point.

Sincerely,
