Dear Tom: **B**

Thanks so much for the *Mad Dogs & Englishmen* tape. Joe Cocker is terrific.

It was good to hear from you, and I'll hope to see you and your family again soon. Have a great summer.

Sincerely,

Jim

Mr. President,

With great pleasure I enclose a copy of Joe Coker and Leon Russell - You'll have to excuse to quality because it came from my old L.P. album that suffered through a lot of use in college - The tape is mono, I think, the album is stereo - If I can get it copied in stereo, I'll send it to you -

Also, I copied the album cover for your information -

Thank you and Hilary for your most recent hospitality to our family - Enjoy the tape and your visit home -

Sincerely -

Tom B.
