DR. ARESE CARRINGTON

125 Coolidge Avenue, Apartment 209
Watertown, Massachusetts 02472

Sunday Sept 13th 1998

Dear Mr President & Mrs Clinton,

I would like you both to know that my prayers are constantly with you and Chelsea during these trying times. The Lord God is with your family.

Mr President, I cannot over emphasize the fact that you are a good and hard man and you have done alot for America and the world. Your job is a stressful and difficult one. You are a courageous man, it takes alot of courage to admit to ones sin, ask for forgiveness and repent. Nobody is above mistakes and nobody is above sin... the bible says so. I count you a lucky man because even amongst those who sit and judge are many that do not realise their own sins in whatever manner that may be. They are still on a path of no return. You have returned and the Lord God will definitely be your guide and guard.

Mrs Clinton, you are a remarkable and intelligent woman. You have shown us courage, strength and selflessness. You have taught us the meaning of marriage that was being forgotten in America... forgiveness & unity in a marriage. These qualities are special. I thank you for being strong. You all need to be strong together and for one another.

We all live not because we are without sin, but because God is merciful. I know there are difficult moments and you are both always pressed for time, but please take time to have quiet moments everyday...

"It is only during quiet moments
the soul can soar
And find what it is searching for."
Anese.

In 1987 I wrote that saying as a reminder of
the importance of quiet moments.

My husband Amb. Walter Carrington (the recent US
ambassador to Nigeria) sends his best wishes. My daughter
Temesan who is in boarding school in England called me
today and said the church her school (Benenden Sch,
Canbrook, Kent) attends had special prayers for you
both & Chelsea and America. She remembers and still
has the birthday photograph the President autographed
for her 12th birthday, Feb 1997. She like many others who
speak to me from different parts of the world say they
are praying for you all.

May God bless and keep you Mr President, Mrs Clinton
and Chelsea. May He show his kindness upon you all.
May His love which passes all understanding keep your
hearts & minds in his knowledge and give you strength
during these trials and tribulations

best-wishes

Anese Carrington

P/S

I have written a letter to Chelsea, please could you forward it
to her.

I'm also sending an inspirational book "God's words of life".
I hope Mr President you find the book useful.

Nancy;

You might be able to help Sen. Max Cleland (D-GA) who is asking about some videos the President might have received. Unfortunately our office does not keep track of such items sent to the President and the First Lady (please see attached letter).

Thank you for your assistance.

Dear Mr. President:

Recently, on a trip to Las Angeles, I came across the head of Republic Entertainment, Mr. Bob Sigman. Bob heads up what used to be the finest producer of old cowboy western movies Hollywood ever produced. He is the heir to the famous Republic Studios that produced the great movies you and I grew up on. Bob said he had met you and that you had expressed in interest in the great Gary Cooper classic, *High Noon*, and other marvelous westerns. Bob said he sent you these movies which were on video tape. He is unsure whether you got them or not. If you have not enjoyed them so far, I would be glad to facilitate your having video tapes of the great Republic Studio westerns.

God bless you, Mr. President. You are doing a marvelous job for our country.

Most respectfully,

Max Cleland

THE REPRESENTATIVE
OF THE
UNITED STATES OF AMERICA
TO THE
UNITED NATIONS

'98 SEP 17 PM 12:22

September 10, 1998

Dear Mr. President:

It has been a great honor and privilege to have served in your Cabinet as your Ambassador to the United Nations. With your leadership, we have made great strides in defending and advancing America's interests at the UN. I deeply appreciate all that you have done to support my efforts in New York.

Although I regret my departure from New York, it is with much pleasure that the cause of my resignation as your Ambassador to the UN is that you have chosen me to serve as your Secretary of Energy. This is a task that I have already begun and one that I look forward to advancing in the months ahead.

Thank you, Mr. President, for honoring me with these two Cabinet positions. It has been, and continues to be, a great honor serving you.

With warm regards,

Bill Richardson
