The Hon. Erskine Bowles
Chief of Staff
The White House
Washington, D.C. 20500

Dear Erskine:

I am writing to appeal to you to help the Judicial Branch to avoid having our budget entangled in the dispute between the President and Congress with respect to the census. We have nothing to do, of course, with the political merits of this dispute, and we do not think that our budget, on which litigants all over the country depend for prompt justice, needs to be involved.

As an independent branch of the government of the United States, we ask to be separated out, so that our budget for the full fiscal year, which, as I understand it, is not one of the points of contention in the present discussions, can be approved now. A similar solution was achieved after the government shutdown in 1995. Our budget was taken out of the Commerce, Justice bill and separately funded for the entire fiscal year. Later, of course, the arguments about the budget of the Executive Branch were settled, but we had been given our funding and were able to administer justice on a secure basis.

If you can help, we will be grateful.

Sincerely yours,

Richard

MEMORANDUM

TO: President Bill Clinton
FROM: Terry McGuirk
DATE: October 16, 1998
RE: 60th Birthday Video for Ted Turner

As some of you are probably aware, Ted will be turning 60 in the next couple of weeks. While he would prefer that the date go unnoticed, we think it would be great to recognize the day with a video of old friends sharing funny stories and sending him their best.

If your schedule will allow, I would appreciate it if you would contribute to this project. Someone from our PR Dept. will be calling your office early next week to set up a convenient time for our camera crew to stop by. We will need no more than 10-15 minutes of your time. This is a SECRET project, so please do not say anything to Ted about it.

Thanks for agreeing to participate in the project.

MEMORANDUM FOR THE PRESIDENT

FROM: Jacob J. Lew
Director 
SUBJECT: First Special Message on Rescissions and Deferrals for FY 1999

Attached for your consideration is the First Special Message on Rescissions and Deferrals for FY 1999, to be transmitted to the Congress in accordance with the Congressional Budget and Impoundment Control Act of 1974.

This Special Message contains two deferrals of budgetary resources, totaling \$167.6 million. The deferrals are of funds available to the Department of State and International Security Assistance. These actions are justified under the Antideficiency Act as routine management actions.

Recommendation

The affected agencies have reviewed the deferral. I recommend that this Special Message be transmitted to the Congress.

Attachment

DEFERRAL OF BUDGET AUTHORITY
Report Pursuant to Section 1013 of P.L. 93-344

Agency: DEPARTMENT OF STATE
Bureau: Other
Account: United States Emergency Refugee and Migration Assistance Fund ¹
 (11X0400)

New budget authority:	---
Other budgetary resources:	\$82,857,659
Total budgetary resources:	82,857,659
 Amount deferred for entire year:	 \$82,857,659

Justification: This deferral withholds funds available for emergency refugee and migration assistance for which no determination has been made by the President to provide assistance as required by Executive Order No. 11922. Funds will be released as the President determines assistance to be furnished and designates refugees to be assisted by the Fund. This deferral action is taken under the provisions of the Antideficiency Act (31 U.S.C. 1512)..

Section 501(a) of the Foreign Relations Authorization Act of 1976 (Public Law 94-141) and section 414(b)(1) of the Refugee Act of 1980 (Public Law 96-212) amended section 2(c) of the Migration and Refugee Assistance Act of 1962 (22 U.S.C. 2601) by authorizing a fund to enable the President to provide emergency assistance for unexpected urgent refugee and migration needs.

Executive Order No. 11922 of June 16, 1976, allocated all funds appropriated to the President for emergency refugee and migration assistance to the Secretary of State, but reserved for the President the determination of assistance to be furnished and the designation of refugees to be assisted by the Fund.

Estimated programmatic effect: None.

¹ This account was the subject of a similar deferral in FY 1998 (D98-7).

DEFERRAL OF BUDGET AUTHORITY
Report Pursuant to Section 1013 of P.L. 93-344

Agency: INTERNATIONAL ASSISTANCE PROGRAMS
Bureau: International Security Assistance
Account: Economic support fund ¹ (72X1037, 728/91037) ²

New budget authority: ---
Other budgetary resources: \$262,603,378
Total budgetary resources: 262,603,378

Amount deferred for entire year: \$84,777,327

Justification: This deferral withholds funds available for international assistance pending the development of country-specific plans that assure that aid is provided in an efficient manner. Funds also are reserved for unanticipated program needs. This action is taken pursuant to the Antideficiency Act (31 U.S.C. 1512).

The President is authorized by the Foreign Assistance Act of 1961, as amended, to furnish assistance to countries and organizations, on such terms and conditions as he may determine, in order to promote economic or political stability. Section 531(b) of the Act makes the Secretary of State, in cooperation with the Administrator of the Agency for International Development, responsible for policy decisions and justifications for economic support programs, including whether there will be an economic support program for a country and the amount of the program for each country. This deferral of funds for the Economic Support Fund has no effect on the availability of funds for the International Fund for Ireland.

Estimated programmatic effect: None.

¹ This account was the subject of a similar deferral in FY 1998 (D98-1).

² The amounts deferred by account are:

72X1037	\$30,771,075
728/91037	54,006,252

TO THE CONGRESS OF THE UNITED STATES:

In accordance with the Congressional Budget and Impoundment Control Act of 1974, I herewith report two deferrals of budgetary resources, totaling \$167.6 million.

The deferrals affect programs of the Department of State and International Security Assistance.

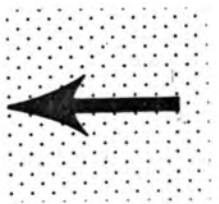

THE WHITE HOUSE,

TO THE CONGRESS OF THE UNITED STATES:

In accordance with the Congressional Budget and Impoundment Control Act of 1974, I herewith report two deferrals of budgetary resources, totaling \$167.6 million.
