HEADLINE: **Hillary Clinton:** Bulletproof, but not necessarily blameless

BYLINE: PHILIP TERZIAN

BODY:

The big news is that independent counsel Robert Ray has decided not to prosecute **Hillary Rodham Clinton** for her role in the travelgate affair. But not because Clinton is an injured party. He has pronounced the case closed because he could not prove beyond a reasonable doubt that "any of **Mrs. Clinton's** statements and testimony regarding her involvement in the travel office firings were knowingly false."

Translation: Clinton lied under oath ...

... charges. Neither Clinton has ever apologized for this sorry incident, and with good reason: When the FBI was brought in to investigate the firings themselves, **Hillary Clinton** repeatedly insisted under oath that she had nothing to do with the matter.

And, as the independent counsel complains, "The White House asserted unfounded privileges that were later ...

... for documents and failed to make timely production of documents, including relevant e-mails."

Sound familiar? It is true that **Hillary Clinton** did not march into the travel office and personally tell the workers to pack up and leave. She's a lawyer, after all, and a ...
