First Lady's Press Office
Washington, DC

Dear Karen,

Thank you for helping us collect some personal information and details on Mrs. Clinton for the Hillary Rodham Clinton Fan Club Webpage. We want to make this site a positive reflection of the fan club and their enthusiasm and support for the First Lady.

Here is the sort of information we seek, broken down by category:

Personal, preferences:

1. What does she do for exercise? How often?
2. What does she collect? (Thimbles, Barbies, matchbooks?) How many does she have?
3. Who cuts and styles her hair? For how long? How often?
4. Who are her role models?
5. In the last four years, what charities has she supported? To which causes has she donated time? Which charities will receive profits from her book?
6. What was her most embarrassing moment?
7. What is her proudest achievement? No more than three, please.
8. What is her greatest regret?
9. What does she worry most about, personal and world issues?
10. Cherished books
11. Favorite movies
12. Favorite meals
13. What's a typical day for her?

Career

7. What was her hourly rate when she last billed as an attorney?
8. How many hours a week did she work, on average?
9. How did she balance her law practice, husband's political career and time for daughter?

12. If she were 18 today, what career would she choose for herself?
13. What does she see herself doing in five or 10 years, after President Clinton's second term is finished?

Home-style:

14. What designers does she like for suits and clothing?
15. Where would she most like to own a vacation home?
16. What sort of home most suits her and her family?
17. What kinds of foods does she like to cook or bake?
18. Colors she favors
19. Where does she like to go on vacation?

Let me tell you a bit about the developers of the Hillary Clinton Fan Club Website. Vickie Elmer and Nancy Costello are striking writers from the Detroit Free Press. Between us, we have 30 years' experience as writers and editors covering politics, business and women's issues. We have established Creative Content to help non-profits and companies create and update varied, interesting sites on the Web. We hope to work with liberal groups and causes on the Web and we specifically are targeting women's organizations.

If it were possible to get an interview with Hillary Clinton for the Fan Club homepage, we would be thrilled -- and so would her many fans and supporters.

We hope to launch the Fan Club website by early March, so your prompt response will be much appreciated. If you could have at least some of the information to us by Feb. 22, we would be most grateful.

Cordially,

Vickie Elmer
