RE: "American President" screening invite list

Attached is a list of suggested invitees for the PBS "American President" series screening, to be held April 7, at the White House. PBS, New York Channel 13, and Stone-Hallinan Productions submitted the list. The series uses many celebrities for voiceovers, and they would like to invite all of those who performed voiceovers. Don Imus is one of the voices. They also submitted a number of New York press that they would like to be included in the press pool. Please let me know if you have any concern about these individuals. Thank you for your help!
