the Clinton administration.

But most Republicans predict a more modest gain of three or four seats, and losing one or both of the Packwood and Hutchison seats would complicate that math.

``There's no question there's a little concern,'' said Carney. ``We have such a good year lined up that any uncertainty causes concern. But I don't sense people are having anxiety attacks or anything like that.''

AM-Early Tax, 150

Tax Form Sightings Reported

WASHINGTON (AP) This year's federal income tax forms aren't due for delivery until after the first of the year, but random sightings are already being reported.

Because millions of tax forms have to be delivered the Internal Revenue Service ships them to local post offices in advance, marked for delivery at a specific date. The 1993 forms are due for delivery Jan. 3, 1994.

But every year a few get delivered early, and this year is no exception.

``There have been random sightings here and there,'' said IRS spokeswoman Johnell Hunter. ``We attribute this to either overzealous postmasters or one who wanted to clean up an area'' in the office.

``While we make every effort to maintain the holiday spirit by traditionally holding tax forms until the new year, we have made some inadvertent deliveries,'' said postal spokesman Mark Saunders.
