Dear Ms. Muscatine:

On behalf of the New York Chapter of Women in Cable and Telecommunications (WICT), I would like to take this opportunity to extend an invitation to you to participate in our upcoming Executive Women's Luncheon scheduled for September 20, 2000 at the Supper Club in New York City.

This year's theme, "*Getting Political: Women and Election 2000*", will feature a panel discussion on the importance of the women's vote in this election year. We would be honored to have you participate in this panel in your official capacity as Director of Communication for the Office of the First Lady.

Women in Cable and Telecommunications (WICT) is a twenty three-year old national organization with twenty-two chapters and five thousand members. Our mission is to empower and educate women to achieve their professional goals by providing opportunities for leadership, networking and advocacy. The New York Chapter is the second largest chapter with over five hundred members.
