Dear Ms. Williams:

Thank you very much for your letter of September 6, 1994. I am glad to hear that you received the transcript of our interview and I appreciate that you will review it at your earliest convenience.

I am planning to finish my project and complete the manuscript for *A place at the Table: The Transformation of African American Women's Political Activism since the 1950's* next year. However, it would be very helpful to my work, if you could send me any changes or additions to your statements as soon as possible or, at the latest, by December of this year (deadline: January 1, 1995).

I look forward to hearing from soon. Thank you once again for your kind cooperation. With best wishes and warm regards,

Sincerely yours,

Britta W. Nelson
