BETWEEN THE GENERAL SERVICES ADMINISTRATION  
AND THE CHILD CARE PROVIDER

1. LICENSE AUTHORITY

2. PRIORITY SPACES FOR DEPARTMENT/AGENCY

The Child Care Provider shall give priority for available child care services to employees of sponsoring agencies.

3. CRIMINAL HISTORY BACKGROUND CHECKS

The Child Care Provider and its employees are subject to the Crime Control Act of 1990 (Public Law 101-647, as amended by Public Law 102-190, dated December 5, 1991), and will submit to criminal history background checks. The Child Care Provider or its employees who have a conviction for sex crimes, offenses involving children as victims, or drug felonies will be denied employment or dismissed, except that for a conviction of a crime other than a sex crime or offense involving children, the government

In addition, the Child Care Provider and its employees are subject to any other checks as may be required by the Department, the General Services Administration (GSA) and any pertinent local regulatory authorities.

4. TERMS AND CONDITIONS OF OCCUPANCY

The child care center will be operated in accordance with the following terms and conditions:

- a. Maintain and operate a developmental child care program from \_\_\_\_\_ a.m. to \_\_\_\_\_ p.m., Monday through Friday except on Federal holidays. furnished IDs remain the property of GSA and must be surrendered to the Child Care Provider's management by all center employees leaving the Child Care Provider's employment. Such IDs must then be immediately returned to GSA's designated building security officer.

- c. The Child Care Provider shall not discriminate on the basis of sex, race, religion, color, national origin or disability with respect to enrollment of children or employment of staff.
- d. The Child Care Provider will acknowledge receipt of all items of equipment and other property to GSA, in writing, and shall provide routine care of any government furnished equipment during the term of this license.

- g. The Child Care Provider shall give priority for training programs for the child care center staff. The Child Care Provider must also ensure that staff members have had training in the prevention and detection of child abuse, first aid, infant CPR, emergency evacuation procedures, and other training that may be required by State and local licensing authorities.
- h. The Child Care Provider will ensure that all criminal incidents or other incidents requiring medical attention are immediately reported to the Department/agency contact, Federal Protective Service, and the GSA Building manager. The Child Care Provider will ensure that a written copy of the incident report is furnished to the GSA Regional Child Care Coordinator and the GSA Office of Child Care and Development Programs within 24 hours of the occurrence.
- i. The Child Care Provider shall begin the National Association for the Education of Young Children (NAEYC) accreditation process within one year of operation and

will achieve accreditation within one year of beginning the process. The Child Care Provider will maintain accreditation through the renewal process of the National Academy of Early Childhood Programs.

The Child Care Provider will comply with all Federal, State and local safety policies, including the no smoking policy. The Child Care Provider will submit and post an emergency evacuation plan for the child care center. The Child Care Provider will conduct a fire drill at least monthly.
  
- k. Upon reasonable request by GSA, the Child Care Provider must demonstrate that it is financially capable of continuing its operations under the terms of its license to use space. Quarterly financial statements must be provided to GSA. The Child Care Provider agrees to provide GSA with an annual audit of its financial books, records, and expenditures, by an outside, independent auditor or accountant.
  
- l. The Child Care Provider will submit demographic data and other pertinent information relating to center operations to the Office of Child Care and Development

Programs, upon request, in a timely and expeditious manner.

- m. The Child Care Provider shall provide all supplies (consummables and manipulatives) such as toys, food and curriculum materials. All supplies provided by the Child Care Provider shall remain the property of the Child Care Provider.

5. RENEWAL

This license begins on the date of execution and continues indefinitely, unless terminated pursuant to Item 8.

6. CHILD CARE PROVIDER STATUS

The Child Care Provider is not an employee or agent of the Government. Parents with children enrolled at the center shall contract directly with the Child Care Provider. Except for matters explicitly addressed in this license, decisions and responsibilities with respect to program, levels of enrollment, security, fees, tuition, hiring, policy making, and any and all other aspects of the operation and conduct of the Center's business shall be the exclusive right, prerogative, and responsibility of the Child Care Provider.

7. INSURANCE

The Child Care Provider shall, at its own expense, provide and maintain during the term of this license, and any extension thereof, comprehensive liability insurance in an amount not less than \$1 million. A copy of the insurance policy shall be provided to GSA for review prior to occupancy of the child care center. An accident insurance policy, which meets the requirements of the state in which the center is located, will be maintained on all students by the Child Care Provider.

8. TERMINATION

GSA or Child Care Provider may terminate this license after thirty days written notice, or immediately if there is a substantial breach of the conditions of this license.

9. NOTIFICATIONS TO GSA

11. MODIFICATIONS

This license may be modified at any time by written agreement of the parties.

12. CHANGES IN STATUS

The Child Care Provider agrees to notify GSA immediately of any changes in the manner in which the child care center is being operated or in its change of profit/nonprofit status.

13. APPROVALS

On behalf of our respective parties, this license is approved.
