Subject: RE: Question [UNCLASSIFIED]

Thanks for checking -- I need to leave COB Thursday.. I have an 8:30 a.m. flight Friday. My sense is that at worse POTUS would delay Japan departure for a day -- thus leaving Thursday. As of now things are still up in the air -- tonight may provide more definitive answers. It is relatively quiet, hours are about 7:00-10:00. I really appreciate being given this opportunity, it has been a wonderful experience.

How are things going up there. Still quiet? Still long hours? You told me you had to go to a wedding -- is it this weekend? When would you need to leave there. I'm just checking, don't know anything that you don't know -- in fact I'm sure you know more about the status of the talks than I do but I just want to be prepared. Let me know. Thanks.
