ICITAP Police Training in Somalia

Program Developments

- o ICITAP has established training facilities on the UNOSOM compound in Mogadishu and the Indian military compound in Baidoa. The temporary training center in Mogadishu has four classrooms with space for 120 students.
- o ICITAP has its logistics system in place to deliver equipment and supplies to support the program.
- o Instructors have been identified and hired to teach five courses.
- o ICITAP has adapted its training courses and plans for use with the Somali police.
- o ICITAP's project manager has secured the cooperation of officials in the UNOSOM military and civilian police training programs.

Delivery of Equipment and Training

- o ICITAP has donated and demonstrated the use of record-keeping supplies to police at twenty stations in the Indian AOR.
- o Three training teams of 2-3 persons each are enroute to or already in Nairobi waiting country clearance to travel to Mogadishu.
- o These teams will instruct Somali trainers. They want to run three sections of the basic refresher course between April 26 and May 19 in Mogadishu and Baidoa. The teams also will teach a course on the care, use and secure storage of the .45 caliber pistol and the M16 rifle provided from DOD surplus stocks.
- o Three additional courses are scheduled in May: Station Administration, Urban Disorder/Security, and Police Personnel Systems.

MEMORANDUM FOR: SEE BELOW

FROM: Richard A. Clarke  
(CLARKER)

SUBJECT: RE: \*\*\*NEED GUIDANCE

The senior UN reps involved in Somalia agree with this policy and have been fully consulted.

Other donors have made similar noises, but we have not done a major demarche to them yet. This cable would do so.

**TASK FORCE ON TERRORISM &  
UNCONVENTIONAL WARFARE**  
**HOUSE REPUBLICAN RESEARCH COMMITTEE**

U.S. HOUSE OF REPRESENTATIVES  
WASHINGTON, D.C. 20515

**THE HIZBALLAH IN MOGADISHU**

October 26, 1993

As has been noted in previous Task Force reports, the current escalation of the fighting in Somalia is the outgrowth of efforts by Iran and Sudan to employ the forces of the "Islamic International" in a major operation to transform Mogadishu into a "second Beirut" for the United States. Furthermore, this escalation is also the first manifestation of a strategic alliance between Iran, Iraq, and Sudan.

As a consequence of this alliance, in early 1993, Iraq embarked on a revitalization of its terrorist campaign under the Islamist banner with active support from Iran and Sudan. In this connection, Baghdad is using "Afghans" that have been retrained in camps operated by Iraqi intelligence and the special forces near Baghdad. These Iraqi-controlled Islamist terrorists operate in close cooperation with the Iranian-controlled Islamist international terrorist system. However, of greatest concern are various HizbAllah detachments which Tehran and Khartoum plan to use against the US forces in Mogadishu in fashion similar to that employed by Syria and Iran against the US peacekeepers in Beirut.

In the aftermath of the October 3rd incident involving US Army Ranger units near Mogadishu, Tehran has decided that the time is ripe "to turn Somalia into a new Vietnam and Mogadishu [into] a new Beirut." Consequently, Tehran, in concert with commanders of several Islamist terrorist movements, most notably the Lebanese HizbAllah and selected Arab "Afghans," has prepared a plan, the aim of which is to tie down American forces in the Horn of Africa. This plan is now being implemented under the command of Ali Manshawi in his current capacity as the IRGC senior officer for the Horn of Africa.

The operational plan is based on the instigation of popular demonstrations and street fighting in Mogadishu as a cover for high quality terrorist strikes by HizbAllah squads. Somali fighters have already been specifically prepared in training camps in central and northern Somalia to carry out such preparatory operations. These Somali fighters are organized in recently established composite units led by highly professional

Iranian Pasdaran, Lebanese HizbAllah and Arab "Afghan" terrorists. These terrorists have been recently smuggled into Somalia via Kenya, Ethiopia, Eritrea and Djibouti with active assistance from the Organization of the Islamic Republic in Kenya, the Islamic Front for Ethiopia, and the Eritrean Islamic Jihad.

Under the Islamist plan, once chaos and street fighting returns to Mogadishu, the elite terrorists will go into action, kidnapping Americans (civilians and soldiers) and then launching suicide bombing-attacks on the US/UN facilities. HizbAllah suicide terrorist squads which had been deployed in Mogadishu to hunt the US Rangers will conduct the planned bombing attacks against the US objectives.

The senior HizbAllah commander on-site for this operation is Hajj Ridah 'Asakir from Beirut. He is a veteran of the suicide bombing operations in Beirut in the early 1980s, including the 1983 US Marine barracks bombing. 'Asakir answers directly to Muhsin Reza'i in Tehran.

In order to increase the likelihood of success, the HizbAllah currently maintains in Mogadishu two main forces completely separated from each other. The first HizbAllah force arrived via Ethiopia and the other via Kenya. Each force relies on a completely independent support system (made of Somalis, Iranians, and Arab "Afghans") and on supplies obtained via Ethiopia and Kenya, respectively. Tehran is convinced that these HizbAllah suicide strikes will have the same impact as the Beirut strikes of the early 1980s.

UNCLASSIFIED

MEMORANDUM

TO: Somalia Working Group, AF Office Directors,  
Other Interested Offices

FROM: AF/SCS: Dave Pierce

SUBJECT: Follow-Up NEO/CME Tabletop: Thursday, April 7,  
Room 7516 Main State, 8:20-10:20, 10:30-11:45 am

This is to invite your participation at the above time and place in a seminar-style "table-top" exercise of the Washington end of managing a crisis like the NEO (non-combatant evacuation operation) that was simulated in March in Somalia. The scenarios will focus on Somalia once the ARG (Amphibious Ready Group) is no longer nearby, but the exercise should be valuable to all who may need to organize, participate in, or work with a State task force responding to a sudden crisis event abroad.

Participants should arrive at the exercise site (Principals Conference Room, 7516 Main State) between 8:15 and 8:20 am. Those who have been working on Somalia should bring any materials they would bring if they had been informed on arrival at work that an urgent situation had developed in the last two hours and a task force on Somalia was being organized in 5 minutes. Those who have not been working on Somalia need no special preparation, but may wish to read recent articles on Somalia (e.g.: Washington Post of April 3 and 5) as background.

Participants can expect the following schedule:

- 8:15 am: arrive at conference room, sign in
- 8:20 am: initial organization of task force
- 8:30 am: briefing on task force structure & functions  
by S/S-O/CMS
- 8:40 am: first scenario: background, operations, issues
- 10:20 am: break
- 10:30 am: second scenario: variations
- 11:30 am: wrap up: summary of lessons learned, suggestions
- 11:45 am: exercise/training ends

The exercise will be directed by John Haralson (DS/PLD/CME). Please confirm your participation to AF/SCS at (202) 647-7369 (room 3509 Main State) by 10:00 am, Wednesday, April 6.
