'Full Text' of UCK Demilitarization Accord

MM2106005599 Paris AFP (North European Service) in English 0034 GMT 21 Jun 99

[FBIS Transcribed Text[0]] PRISTINA, Yugoslavia, June 21 (AFP) -- Following is the full[0] text[0] of the accord on the demilitarisation of the Kosovo Liberation Army (KLA, known in Kosovo by its initials UCK[0]) signed by KLA chief Hashim Thaqi and KFOR commander Lieutenant-General Mike Jackson here at 0015 Monday (2215 GMT Sunday):

UNDERTAKING OF DEMILITARISATION AND TRANSFORMATION BY THE UCK[0]

This Undertaking provides for a ceasefire by the UCK[0], their disengagement from the zones of conflict, subsequent demilitarisation and reintegration into civil society, in accordance with the terms of UNSCR 1244 and taking account of the obligations agreed to at Rambouillet and the public commitments made by the Kosovar Albanian Rambouillet delegation.

The UCK[0] undertake to renounce the use of force, to comply with the directions of the Commander of the international security force in Kosovo (COMKFOR), and where applicable the head of the interim civil administration for Kosovo, and to resolve peacefully any questions relating to the implementation of this undertaking.

The UCK[0] agree that the International Security Presence (KFOR) and the international civil presence will continue to deploy and operate without hindrance within Kosovo and that KFOR has the authority to take all necessary action to establish and maintain a secure environment for all citizens of Kosovo and otherwise carry out its mission.

The UCK[0] agrees to comply with all of the obligations of this Undertaking and to ensure that with immediate effect all UCK[0] forces in Kosovo and in neighbouring countries will observe the provisions of this Undertaking, will refrain from all hostile or provocative acts, hostile intent and freeze military movement in either direction across international borders or the boundary between Kosovo and other parts of the FRY, or any other actions inconsistent with the spirit of UNSCR 1244. The UCK[0] in Kosovo agree to commit themselves publicly to demilitarise in accordance with paragraphs 22 and 23, refrain from activities which jeopardise the safety of international governmental and non-governmental

personnel including KFOR, and to facilitate the deployment and operation of KFOR.

For purposes of this Undertaking, the following expressions shall have the meanings as described below:

- a) The UCK[0] includes all personnel and organisations within Kosovo, currently under UCK[0] control, with a military or paramilitary capability and any other groups or individuals so designated by Commander KFOR (COMKFOR).
- b) "FRY Forces" includes all of the FRY and Republic of Serbia personnel and organisations with a military capability. This includes regular army and naval forces, armed civilian groups, associated paramilitary groups, air forces, national guards, border police, army reserves, military police, intelligence services, Ministry of Internal Affairs, local, special, riot and anti-terrorist police, and any other groups or individuals so designated by Commander KFOR (COMKFOR).
- c) The Ground Safety Zone (GSZ) is defined as a 5-kilometre zone that extends beyond the Kosovo province border into the rest of FRY territory. It includes the terrain within that 5-kilometre zone.
- d) Prohibited weapons are any weapon 12.7mm or larger, any anti-tank or anti-aircraft weapons, grenades, mines or explosives, automatic and long barrelled weapons.

The purposes of this Undertaking are as follows:

- a) To establish a durable cessation of hostilities.
- b) To provide for the support and authorisation of the KFOR and in particular to authorise the KFOR to take such actions as are required, including the use of necessary force in accordance with KFORs rules of engagement, to ensure compliance with this Undertaking and protection of the KFOR, and to contribute to a secure environment for the international civil implementation presence, and other international organisations, agencies, and non-governmental organisations and the civil populace.

The actions of the UCK[0] shall be in accordance with this Undertaking. "The KFOR" commander in consultation, where appropriate, with the interim civil administrator will be the final authority regarding the interpretation of this Undertaking and the security aspects of the peace settlement it supports. His determinations will be binding on all parties and persons.

Cessation of Hostilities

With immediate effect on signature the UCK[0] agrees to comply with this Undertaking and with the directions of COMKFOR. Any forces which fail to comply with this Undertaking or with the directions of COMKFOR will be liable to military action as deemed appropriate by COMKFOR.

With immediate effect on signature of this Undertaking all hostile acts by the UCK[0] will cease. The UCK[0] Chief of General Staff undertakes to issue clear and precise instructions to all units and personnel under his command, to ensure contact with the FRY forces is avoided and to comply fully with the arrangements for bringing this Undertaking into effect. He will make announcements immediately following final signature of this Undertaking, which will be broadcast regularly through all appropriate channels to assist in ensuring that instructions to maintain this Undertaking reach all the forces under his command and are understood by the public in general.

The UCK[0] undertakes and agrees in particular:

- a) To cease the firing of all weapons and use of explosive devices.
- b) Not to place any mines, barriers or checkpoints, nor maintain any observation posts or protective obstacles.
- c) The destruction of buildings, facilities or structures is not permitted. It shall not engage in any military, security, or training related activities, including ground, or air defence operations, in or over Kosovo or GSZ, without the prior express approval of COMKFOR.
- d) Not to attack, detain or intimidate any civilians in Kosovo, nor shall they attack, confiscate or violate the property of civilians in Kosovo.

The UCK[0] agrees not to conduct any reprisals, counter-attacks, or any unilateral actions in response to violations of the UNSCR 1244 and other extant agreements relating to Kosovo. This in no way denies the right of self-defence.

The UCK[0] agrees not to interfere with those FRY personnel that return to Kosovo to conduct specific tasks as authorised and directed by COMKFOR.

Except as approved by COMKFOR, the UCK[0] agrees that its personnel in Kosovo will not carry weapons of any type:

- a) Within 2 kilometres of VJ and MUP assembly areas;
- b) Within 2 kilometres of the main roads and the towns upon them listed at Appendix A;
- c) Within 2 kilometres of external borders of Kosovo;
- d) In any other areas designated by COMKFOR.

Within 4 days of signature of this Undertaking:

- a) The UCK[0] will close all fighting positions, entrenchments, and checkpoints on roads, and mark their minefields and booby traps.
- b) The UCK[0] Chief of General Staff shall report in writing completion of the above requirement to COMKFOR and continue to provide weekly detailed written status reports until demilitarisation, as detailed in the following paragraphs, is complete.

Cross-Border Activity

With immediate effect the UCK[0] will cease the movement of armed bodies into neighbouring countries. All movement of armed bodies into Kosovo will be subject to the prior approval of COMKFOR.

Monitoring the Cessation of Hostilities

The authority for dealing with breaches of this Undertaking rests with COMKFOR. He will monitor and maintain and if necessary enforce the cessation of hostilities.

The UCK[0] agrees to co-operate fully with KFOR and the interim civil administration for Kosovo. The Chief of the General Staff of the UCK[0] will ensure that prompt and appropriate action is taken to deal with any breaches of this Undertaking by his forces as directed by COMKFOR.

Elements of KFOR will be assigned to maintain contact with the UCK[0] and will be deployed to its command structure and bases.

KFOR will establish appropriate control at designated crossing points into Albania and the FYROM.

Joint Implementation Commission (JIC)

A JIC will be established in Pristina within 4 days of the signature of this Undertaking. The JIC will be chaired by COMKFOR, and will comprise the senior commanders of KFOR and the UCK[0], and a representative from the interim civil administration for Kosovo.

The JIC will meet as often as required by COMKFOR throughout the implementation of this Undertaking. It may be called without prior notice and representation by the UCK[0] is expected at a level appropriate with the rank of the KFOR chairman. Its functions will include:

- d) After 29 days, the retention of any non automatic long barrelled weapons shall be subject to authorisation by COMKFOR.
- e) Within 30 days, subject to arrangements by COMKFOR if necessary, all UCK[0] personnel who are not of local origin, whether or not they are legally within Kosovo, including individual advisors, freedom fighters, trainers, volunteers, and personnel from neighbouring and other States, shall be withdrawn from Kosovo.

THE SECRETARY-GENERAL

19 June 1999

Dear Mr. President,

You will be informed that my interim Special Representative, Mr. Sergio Vicira de Mello, arrived in Pristina on 13 June 1999 in order to initiate the assumption of responsibility for the international civil administration in Kosovo in accordance with Security Council resolution 1244 (1999).

A particularly complex and demanding responsibility is that of ensuring law and order. The resolution envisages that this task will be exercised by the military presence, KFOR, until the international civil administration acquires the capacity to assume this responsibility.

Accordingly, the United Nations has a direct and immediate interest in the arrangements being discussed with the KLA and other armed Kosovar-Albanian groups regarding their demilitarization required under the resolution. I understand that representatives of the United States and the United Kingdom are playing a leading role in these negotiations, hence this letter to you.

From the briefings received by my Special Representative from the Commander of the international military presence in Kosovo, it appears that these Kosovar armed groups will be required to surrender their heavy weapons but will be permitted to retain medium assault weapons normally used by regular armed forces. If this is correct, it would be a source of serious concern to the international civil administration in Kosovo since it

Wrong!

His Excellency
Mr. William J. Clinton
President of the United States of America
Washington D.C.

is envisaged that the international civilian police, charged with law and order, may be allowed to carry only side arms for personal protection.

It is obvious that the task of the international civilian police, which is challenging enough in itself, would be rendered unacceptably difficult, if not impossible, were they to be faced by groups legally entitled to carry heavier and superior weapons and, in all likelihood, intent on asserting their own power and authority.

I would be grateful if these concerns are given the high priority they merit, for the reasons indicated, in the talks between the international military presence and the Kosovar armed groups in progress. There is considerable urgency in this matter since, I understand, that an agreement is due to be signed very shortly.

Please accept, Mr. President, the assurances of my highest consideration.

- Kofi A. Annan

DECLASSIFIED E.O. 13526
Department of State Guidelines, November 6, 2015
By 12 NARA, Date 4/23/2024
2008-0994-F.3

Sandy/Jim -

SHAPE has developed an "undertaking" on demilitarization to be signed by the KLA leadership. It provides for a KLA cease-fire, disengagement from Serb assembly areas and withdrawal routes, and subsequent demilitarization as foreseen at Rambouillet. The undertaking also has the KLA acknowledge KFOR's right to operate without hindrance and take all necessary action to establish a secure environment.

Specifically, the undertaking provides for:

- with immediate effect:
 - cessation of hostilities; no reprisals or counter-attacks (other than self-defense);
 - no weapons 2 kilometers from VJ/MUP assembly areas and withdrawal routes, as well as the external borders of Kosovo;
 - no cross-border movement of armed forces without COMKFOR authority;
- within 4 days:
 - close all fighting positions and checkpoints;
 - begin to issue weekly written status reports;
 - establish Joint Implementation Commission, chaired by COMKFOR with KLA military and political representatives;
- within 7 days:
 - establish secure weapons storage sites, registered with and verified by KFOR;
 - clear minefields and vacate fighting positions;
- after 29 days:
 - retention of non-automatic long-barreled weapons subject to KFOR authorization;
- after 30 days:
 - all prohibited weapons (12.77mm+, anti-tank/aircraft, grenades, mines, explosives, automatic long-barreled weapons) must be stored at registered sites, with control immediately passing to KFOR;
 - cease wearing military uniforms and insignia;
 - all prohibited weapons and unauthorized long-barreled weapons subject to confiscation by KFOR.

These requirements are largely derived from Rambouillet, so should be familiar to the KLA. However, KFOR would assume control of weapons storage sites after 30 days rather than 90 due to the more rapid and complete withdrawal of Serb forces.

At our recommendation, KFOR is discussing this undertaking with Shaun Byrnes now. They intend to present it to KLA commanders later today and seek signature tomorrow. The KLA may balk, particularly given their unhappiness over the Russian presence, but

we must be ready to press them to agree.

MEMORANDUM FOR THE PRESIDENT

FROM: SAMUEL BERGER

SUBJECT: Background on Death of Kosovar Albanian Fehmi Agani

DECLASSIFIED
E.O. 13526
White House Guidelines, May 16, 2017
By VR NARA, Date 4/23/2024
2008-0944-F.3

You asked about the killing of Fehmi Agani. Agani, age 67, was a sociology professor, a long-time associate of Ibrahim Rugova, and one of the Vice Presidents of the Democratic League of Kosovo (LDK) party. He was a member of the Kosovar Albanian negotiating team at Rambouillet.

On May 12, Agani's son Shpend, provided the following details surrounding Agani's death to Ambassador Chris Hill in Skopje:

On May 6 Fehmi Agani, with his wife and one son, left Pristina on a train bound for the Macedonian border. Evidently, Agani had been hiding in Pristina since NATO air strikes began. Agani's decision to leave may have been based on his belief that Belgrade's release of Rugova was a signal that he too should leave Kosovo and speak publicly for Albanian unity.

Agani's train was stopped by the Serbs short of the border. The train headed back toward Pristina but was halted near the town of Ljipjan. Serbian police boarded the train and removed Agani, leaving his wife and son to return to Pristina. It is unclear how the police knew Agani, who was travelling incognito, was on the train.

On the morning of May 7, Mrs. Agani called the Serbian police to ask for information on his whereabouts but learned nothing. Later that day she went to see the police but was physically abused and ejected. That evening, Serbian police contacted her to advise that Agani's body had been "found" in Ljipjan and she would have to go there to make a positive identification. On May 8, Mrs. Agani made the identification.

The Milosevic-controlled media blamed the KLA for Agani's death. The KLA issued a statement accusing the Serbs of assassinating Agani and saying that while the KLA disagreed with Agani it nonetheless respected him.

The fact that Agani turned up dead within a day of being taken into custody by Serb police clearly implicates the Serbs in his death. Agani was respected by nearly all factions and the Serbs may have wanted him to participate in a puppet Kosovar government, an option he would have resoundingly rejected.

In his conversation with Chris Hill, Shpend Agani expressed his gratitude and support for NATO's efforts and underlined the importance of a NATO-led peacekeeping force in Kosovo after the conclusion of the conflict. Secretary Albright sent a message of condolence to Shpend, remembering Fehmi Agani as a wise and dedicated man of peace devoted to the struggle for justice in Kosovo.

Agani's death was reported in the international press but the story did not have the impact it merited, likely because of the few facts available. While much of the background of Agani's death is classified, we are working with the interagency to release appropriate details to highlight to the world Belgrade's ruthless assassination of this moderate who sought peace at Rambouillet.

MEMORANDUM FOR THE PRESIDENT

FROM: SAMUEL BERGER

SUBJECT: ~~Your Request for Background on Death of Kosovar~~
Albanian Fehmi Agani

~~Per your request for details surrounding the death of Kosovar~~
~~Albanian leader Fehmi Agani.~~

Fehmi Agani, age 67, was a sociology professor, a long-time associate of Ibrahim Rugova, and one of the Vice Presidents of the Democratic League of Kosovo (LDK) party. He was a member of the Kosovar Albanian negotiating team at Rambouillet.

On May 12, Agani's son Shpend, provided the following details surrounding Agani's death to Ambassador Chris Hill in Skopje:

On May 6 Fehmi Agani, with his wife and one son, left Pristina on a train bound for the Macedonian border. Evidently, Agani had been hiding in Pristina since NATO air strikes began. Agani's decision to leave may have been based on his belief that Belgrade's release of Rugova was a signal that he too should leave Kosovo and speak publicly for Albanian unity.

Agani's train was stopped by the Serbs short of the border. The train headed back toward Pristina but was halted near the town of Ljipjan. Serbian police boarded the train and removed Agani, leaving his wife and son to return to Pristina. It is unclear how the police knew Agani, who was travelling incognito, was on the train.

On the morning of May 7, Mrs. Agani called the Serbian police to ask for information on his whereabouts but learned nothing. Later that day she went to see the police but was physically abused and ejected. That evening, Serbian police contacted her to advise that Agani's body had been "found" in Ljipjan and she would have to go there to make a positive identification. On May 8, Mrs. Agani made the identification.

The Milosevic-controlled media blamed the KLA for Agani's death. The KLA issued a statement accusing the Serbs of assassinating Agani and saying that while the KLA disagreed with Agani it nonetheless respected him.

The fact that Agani turned up dead within a day of being taken into custody by Serb police clearly implicates the Serbs in his death. Agani was respected by nearly all factions and the Serbs may have wanted him to participate in a puppet Kosovar government, an option he would have resoundingly rejected.

Agani's death was reported in the international press but the story did not have the impact it merited, likely because the few facts available were spun by the Serbs.
