To: ONS staff and friends
From: Susan Stroud
Re: *****two exciting opportunities*****

1) Dr. Robert Coles will be at the ONS on Monday, September 13, from 3:00-4:00 to meet with the staff for an informal discussion about public service. Bob is a professor at Harvard who teaches courses that involve his students in community work. He has recently published a book on public service. I urge you to make the time to join the discussion. Bob has been involved in community and political work for longer than many of us have been around, including serving as an advisor to Robert Kennedy. I'll have his book in my office on Monday.

2) Party time! I think we ought to celebrate our great success with a party - at my house on September 21 starting at 7:00. Please RSVP and let me know what you can bring. 1632 32nd St., NW (Georgetown), 342-1472.
