Dear Mr. Miller,

I am enclosing information about President Clinton's national service program. The President has sent legislation (described in the enclosed material) to Congress that would establish the Corporation for National Service. We are optimistic that the legislation will be passed this summer.

The Swearer Center at Brown the most outstanding example of public service programs on a college campus in the country. Peter Hocking is the acting director of the Center, and I encourage you to contact him at 401-863-2338 for information about the Center's activities.

Please let me know if there is any specific information I can provide you. Thank you for your interest in the Swearer Center and the President's program.

Sincerely,

Susan Stroud
Senior Advisor to the Director
Office of National Service
