NATIONAL SERVICE SECRETARIAT

5140 SHERIER PLACE N. W.
WASHINGTON, D.C. 20016
(202) 244-5828

Donald J. Eberly, *Executive Director*

September 13, 1993

President Bill Clinton
The White House
Washington, DC 20500

Dear Mr. President:

Thank you for making national service a high priority in your administration. The bill would not have been enacted without your leadership.

The measure accords closely with the kind of national service with which the Secretariat has been identified since its founding in 1966. It recognizes that young people can provide important services to those in need, that there is an educational value to be derived from the service experience, and that national service helps to build an enlightened citizenry.

Now it is important to keep national service on course and to expand it steadily. Within a few years I hope that all young people who want to serve full time are able to do so.

Sincerely,

A handwritten signature in blue ink, appearing to read 'D. J. Eberly', written over the printed name.
