The Challenge

But if the life will not be easy it will be rich and satisfying. For every young American who participates in the Peace Corps...will know that he or she is sharing in the great common task of bringing to man that decent way of life which is the foundation of freedom and a condition of peace.

President John F. Kennedy

Upon signing the Executive Order establishing the Peace Corps
March 1, 1961

I challenge a new generation of young Americans to a Season of Service; to act on your idealism by helping troubled children; keeping company with those in need; reconnecting our torn communities. There is so much to be done — enough, indeed, for millions of others who are still young in spirit to give of themselves in service, too.

President Bill Clinton
