Thank you so much...

for your interest in Youth Service America. YSA is an independent, not-for-profit organization that promotes and supports youth service programs throughout the United States. YSA's mission is to strengthen the ethic of service in America by helping to develop and sustain a national network of quality service programs that provide young people of all ages and backgrounds with opportunities to begin a lifelong commitment to community improvement and civic participation.

We work with an ever expanding field of local programs, regional groups and national organizations to bring youth service to the forefront of the national agenda. The effort is carried out through *national and regional conferences; national replication projects* like the Youth Volunteer Corps of America; YSA's *Working Group on Youth Service Policy*; and *National Youth Service Day*, our annual public awareness campaign to educate people from all walks of life about the power and potential of youth service. Our *Affiliates Program* keeps national and state organizations, local practitioners, youth service professionals and others interested in youth service up-to-date with local, regional and national developments in the field, and offers excellent benefits to members. YSA's *Youth Action Council* brings together young leaders in the field to formulate strategies for involving more young people in service. The program also provides young people with an opportunity to work closely with YSA staff on National Projects and to gain valuable experience in leadership and program implementation. YSA's *New Generation Training Program* provides leadership and management training for young professionals in the youth service field.

Through these and many other dynamic projects, we hope to continue to build the youth service movement from the bottom up as well as the top down. Enclosed is more information regarding these and other exciting efforts.

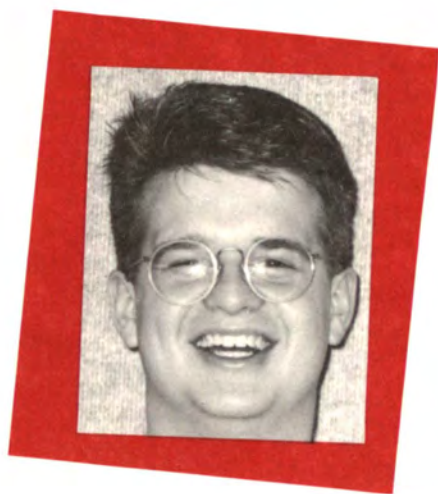

Again, thank you for your interest in Youth Service America. Please feel free to contact Paula Mitchell at 202/296-2992 if you have any questions or need further assistance.
