White House  
Washington, D.C.

Dear Mr. Seigal,

I will keep this note short and to the point. President Clinton talks about change and sacrifice. I have seen change and sacrifice beyond measure. What I'm talking about is Westside Preparatory School in Chicago. This school was introduced and started by Marva Collins.

I would like to invite you to come out and see this school and see what this remarkable woman is capable of doing. As an executive myself, I realize your time is very valuable, but I truly believe you will find this visit worth your time and effort.

Sincerely,

A handwritten signature in dark ink, appearing to read "M. Procaccini".
