Sorry to have muddled up the time sheets. Wanted you to know that Julie Maggi put in extraordinary amounts of extra hours during her term that could not be captured on the time sheet, or at least weren't captured. No question that she worked well beyond the required 1700 hours.

Enclosed is the National Service Trust End of Term of Service Form for Shannon L. Perkins.

In block 11 of this form I checked "Early termination for Cause and not eligible for an education award." This recommendation is based on the following and is open for you to consider. Shannon did contribute to the project.

1. Shannon dropped out early without obtaining a release for compelling personal circumstances.
2. The major reason for Shannon dropping out is that he car-pooled from the Lancaster area to Somis with David Macias. When David Macias dropped out, Shannon said he did not have transportation. The original plan was that they move to Somis for their year of service.
3. The District Conservationist has documented instances of Shannon Perkins not showing up for service and not notifying his supervisor. A warning letter was issued.

This is to recommend that AmeriCorps member Jesse Haramati receive a full or pro-rated AmeriCorps education award. Mr. Haramati resigned just short of a full term because of loss of housing, as explained in the attached memorandum from his site supervisor.

Thank you for your consideration and action on this request.

SUBJECT: Americorps exit request-Haramati

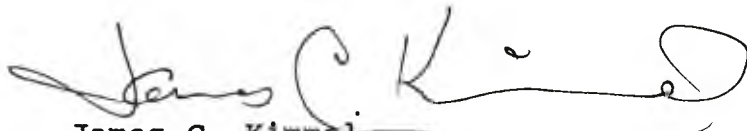

With this memo it is requested that Jesse Haramati be allowed to leave the Americorps program before completing the required 1812 hours and still obtain a pro-rated educational award (Participant Exit Form enclosed).

He began his tour of duty in the Placerville office on October 17, 1994 and wishes to terminate his tour on July 5, 1995. The total hours worked are 1688.5 or 93% of the required time of 1812 hours.

A loss of his apartment and the inability to obtain another residence for only three (3) weeks creates a compelling circumstance which cannot be corrected with out placing a severe hardship on the employee.

Jesse functioned well in the Americorps program here in Placerville, and obtained a variety work and training experiences which will benefit him in his ongoing educational endeavors. The NRCS obtained a benefit as well with the opportunity to accomplish tasks which would not otherwise be completed.

Please respond to this request of pro-rating Jesses educational award, and provide the procedure for the acquisition of this award.

TO: Dee DiFiore

FROM: Cindy Haygood, AmeriCorps Program Manager

DATE: August 3, 1995

As requested, here is a list of AmeriCorps members that left the program and reasons for leaving.

Nicole Byrd

Nicole found another job because she needed to make more money. She indicated that she had a good job opportunity come along.

Steven George

Steven was released for cause. Steven was absent with no contact and would not return our calls for one and a half months.

Leslie Gold

Leslie only worked for two weeks. She indicated that she did not enjoy what she was doing and she decided to go back to school in the fall quarter. She never gave us an opportunity to work with her.

Darlene Herbert

Darlene was trying to work two jobs. She picked her job with the Olympic Committee over AmeriCorps. She was making more money and it was more prestigious.

Michael Hunter

Mike indicated that he could not survive on the low pay.

Beverly Johnson

Beverly became pregnant.

Eric Maddox

Eric was released for cause. He was constantly late and absent from work. When he was present, we often found him sleeping while the others worked.

Sedric Ross

Sedric left the program at the time that I had to reprimand him for improper work ethics. He was very undependable with his work hours and an outside organization was counting on him to be dependable. He lied about his whereabouts and work hours to his immediate supervisor and to me. He indicated that he did not believe what we were doing was appropriate. (Sedric was doing water quality monitoring.) He did not believe AmeriCorps should be doing physical labor. He indicated that he wished to work in the "environmental justice" field and had a contact, however he would not arrange for this person to contact us.

Cassandra Washington

Cassandra had an auto accident right before coming to work with our program. As a result, she had no means of transportation and had numerous doctors visits. She attempted to come to work periodically and we tried to work with her on her transportation, but she chose to leave the program out of her own necessity.

Vincent Washington

Vincent transferred to another AmeriCorps program. He wanted to be teaching in schools in the inner city, and at the time we were not doing that activity.

NOTE: I would like to point out that a few other individuals felt the need to leave the program because of logistics (example: transportation, money, scheduling conflicts, family trouble, etc.). In each of these cases, we worked with the individual and maintained the member with the team.

Corporate Memo

To: JOEL BYRD

From: SEDRIC ROSS

Date: August 4, 1995

Subject: REASONS FOR ENDING PARTICIPATION IN AMERICORPS
REQUEST FOR EDUCATIONAL AWARD
=====

Per our conversation on the above date, I am writing this memo to your request for information and statement regarding the personal compelling reasons for leaving the Americorps program.

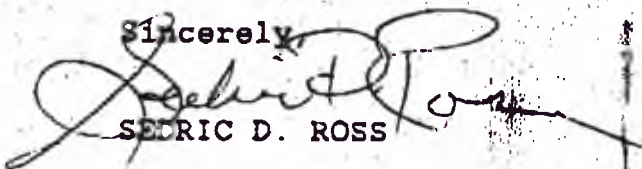

The reasons I exited the program are as follows:

I am the primary source of support for my mother, especially since she started to have problems with her eyes. Thus, it was apparent at some point I would have to make a decision on when I would take a leave to help her. Although, when I left it was premature to my original plan to take a leave or exit of service. Nonetheless, my reasons for leaving are twofold; the first is that my mother needed my assistant because of her eye problems and it was encumbered on me to take over some her duties and care for her as founded in the contract in Paragraph VI subsection (c)(2).

Moreover, it is also compelling from my point of view that I state the second compelling personal reason for leaving, which were secondary but just has important as the first reason, and follows Paragraph VI subsection (c)(4), thus, I hope the program agrees. The program itself was not in compliance with it advertised missions, which I would love to expand on at another time and place. Secondly, the program failed in it's responsibilities to it's members found in Paragraph VIII subsections (5)(7)(8)(9) of which I can give written and eye witnesses statements in this regard. Lastly, there were some political matters effecting the members that had nothing to do with community and/or service. Further, causing undue mental stress and pain even to the point of illness such as constant headaches and ulcerous symptoms. Thus, I had to leave or endure and unendurable situation that I realized that was mentally unhealthy for me, and other members, participates, and other leadership.

THEREFORE, I would most respectfully request that this statement be taken as my compelling personal reasons for leaving and I be given the educational award without prejudice and/or delay. THANK YOU, for your time, consideration and expeditiousness in this matter.

Sincerely,

SEDRIC D. ROSS

Subject: PER - Release of Iowa AmeriCorps Members

Date: June 22, 1995

To: Paula Cole-Jones, Program Coordinator National Service and Volunteer Program, CARD, NRCS, Washington, D.C. **File Code:** 360

Three Iowa AmeriCorps Rural Development Team Members have left their positions. The are:

*	Kathryn A. Hall	ssn:	
*	Rebecca Cowell	ssn:	1909
*	Jeffrey Frederick	ssn:	

I previously discussed with you the releases of these members. For K. Hall and R. Cowell the issue is the prorated educational award for them. I am recommending that they be given their prorated educational award because: a) they were high quality Members, b) they were very positive examples and well respected Members of their team, and c) they left their positions to better themselves.

The draft AmeriCorps Operations Handbook distributed in Kansas City at the Earth Team/AmeriCorps meeting addresses this issue. In Section 8, Page 1121 under compelling circumstances it states that "The project manager/director is in the best position to determine whether a member's personal circumstances are sufficiently compelling to justify release on this basis." In the case of Hall and Cowell, jobs became available that met their career objectives. They were competing for jobs in a very tight job market and were able to be selected because of their AmeriCorps experience. K. Hall got a job as a Naturalist with the Crawford County Conservation Board in western Iowa and B. Cowell got a job in Pennsylvania as an Information Specialist with a dairy cattle AI firm.

I recommend that K. Hall receive a prorated educational award amounting to \$2,126. She worked 768.25 hours or 45 percent of her year. I recommend that B. Cowell receive a prorated educational award amounting to \$2,173.50. She worked 785.25 hours or 46 percent of her year.

For Jeff Frederick the situation is different and I am not recommending prorating his educational award.

Please feel free to contact me at (515) 284-4370, if you need more information.
