**USDA SUMMER OF GLEANING
MEMBER AGREEMENT OF PARTICIPATION IN
AMERICORPS SUMMER PROGRAM**

Whereas, the Corporation for National and Community Service (CNCS) and the United States Department of Agriculture (USDA) have jointly entered into this agreement to promote national and community service among the citizens of the United States to help meet human, educational, environmental, and public safety needs, particularly those related to poverty.

Whereas, the mission of the USDA AmeriCorps Program is to engage a diverse group of Americans in working partnerships with communities to provide real and measurable service to meet environmental and human needs, while earning education benefits and building an ethic of service, responsibility, and citizenship.

Whereas, USDA actively supports the development of the nation's youth through programs such as AmeriCorps.

Therefore, the USDA will operate its AmeriCorps Program to further objectives of mutual civic obligation.

AUTHORITY: This agreement is entered into pursuant to the authority of the National and Community Service Act of 1990 as amended (42 U.S.C. 12501 et. Seq.), Public Law 103-82.

I. Purpose

It is the purpose of this agreement to delineate the terms, conditions, and rules of membership regarding participation in the USDA AmeriCorps Summer of Gleaning and Food Rescue Program. This agreement is hereby entered into on this 10th day

of June, 1996, between the USDA Subgrantee Congressional Hunger Center
(hereinafter referred to as the "Program") and Lisa Hudson (hereinafter referred to as the "Member").

II. Minimum Qualification

The member certifies that he/she is a United States citizen, lawful permanent resident alien and at least 17 years of age and has not been previously terminated for cause from another AmeriCorps Program. Lawful permanent resident aliens must have a valid "Alien Registration Reciept Card," INS Form I-551 or I-151.

X. Certification

By signing this agreement the member certifies that:

1. If s/he has served in a previous AmeriCorps program, that fact has been revealed to the project director/manager, and if s/he was released for cause from the previous AmeriCorps program, that fact has also been disclosed.
2. S/he understands that the law places restrictions on the purposes for which the education award can be used and that generally its redemption is limited to qualified loans (those covered by Title IV of the Education Act of 1965) and **cannot be transferred to another person or used to pay off general loans even if those loans were used to pay education expenses. S/he further understands that they cannot be given a cash payment in lieu of an education award administered by the National Service Trust.**
3. S/he understands that by signing this agreement s/he is making a commitment to complete the full term of service and that receipt of the education award is contingent upon the successful completion of the full term of service. If s/he should choose to leave before the completion of the service, regardless of how many hours have been completed, s/he is NOT eligible for any part of the education award.
4. S/he understands that s/he is not covered by the Fair Labor Standards Act and is not eligible for overtime pay. For example, s/he is not eligible for overtime pay for time worked in excess of eight (8) hours in a day or forty (40) hours in a week although such times does count toward completing the required term of service.
5. S/he understands s/he is not a Federal employee and that the service hours do not count toward any Federal retirement program computations nor does s/he obtain any special status with respect to seeking a Federal job on the basis of having successfully completed a term of service.
6. S/he understands that this program is subject to the availability of government funds and that should those funds not become available, the program would be terminated. It is further understood that the program may be subject to a temporary shut-down in the event of a Government shut-down.
7. S/he understands that the receipt of the \$1,000 education award constitutes one full education award and that after receiving/earning this award the Member is only eligible for a maximum of one more education award with a maximum award amount of \$4,725. In other words, members in the USDA AmeriCorps Summer of Gleaning Program can earn the \$1,000 award and then be eligible if they enter another year long AmeriCorps program to earn one full-time award in the amount of \$4,725. In such a case the maximum education awards the member could earn would be \$1,000 plus \$4,725 for a total of \$5,725, whereas someone who participated in two full year programs could possibly earn two awards each worth \$4,725 for a total of \$9,450.
8. S/he understands that they should retain a copy for their personal files of all forms they sign while in the program.
9. S/he understands that as members in a program and not employees they are not eligible for unemployment compensation upon termination of all or part of their term of service.

XI. Authorization

The Member and Program hereby acknowledge by their signatures that they have read, understand, and agree to all terms and conditions of this agreement and the rules and regulations of the Corporation for National Service.
