EVALUATION FORM

In order to improve our presentations we would appreciate it if you would take a few minutes to fill out this evaluation form.

Date of Visit: 12-16-95 School Name: Ridgview Teacher: Lynda Crowe

Topic of lesson presented to your class: Xmas Trees

1. Was this presentation appropriate for your subject or grade?

Very appropriate (5) 4 3 2 1 Not very appropriate

2. Did the presentation keep to the topic?

On topic (5) 4 3 2 1 Off the topic

3. Were the presenters knowledgeable and clear in their presentation?

Very Clear (5) 4 3 2 1 Unclear

4. Are there any additional areas where we can provide support or assistance for you or your class?

A discussion of the various products made from trees. Stress the importance of trees in cleaning CO₂ from the air and how long they need to grow before they can do much of a job!

5. Comments and Suggestions:

Maybe include counting rings to get the age of a tree.
The costumed presenters helped to keep this presentation from being too serious - good idea!

Thank you for your help!

Thank you so much for doing so many classes in one day.

2. Did the presentation keep to the topic?

On topic (5) 4 3 2 1 Off the topic

3. Were the presenters knowledgeable and clear in their presentation?

Very Clear [5] 4 3 2 1 Unclear

4. Are there any additional areas where we can provide support or assistance for you or your class?

5. Comments and Suggestions: Thank you for a wonderful afternoon

This was a great idea and a well organized activity. A few more "hands on" activities - Touching the pelts, playing the game, moving the felt pieces are wonderful interest keepers.

EVALUATION FORM

In order to improve our presentations we would appreciate it if you would take a few minutes to fill out this evaluation form.

Date of Visit: 2.1.96 School Name: St. Mary's Teacher: Mrs. Spiering - 3rd grade

Topic of lesson presented to your class: Ag. Fair - 8 topics

1. Was this presentation appropriate for your subject or grade?

Very appropriate (5) 4 3 2 1 Not very appropriate

2. Did the presentation keep to the topic?

On topic (5) 4 3 2 1 Off the topic

3. Were the presenters knowledgeable and clear in their presentation?

Very Clear (5) 4 3 2 1 Unclear

4. Are there any additional areas where we can provide support or assistance for you or your class?

Water - its cycle & need for cleanliness & importance to all life forms.

Animal Habitat, Forests, & the need for preservation

5. Comments and Suggestions:

The students AND their teacher enjoyed the experience very much. The variety of topics was great - each person found topics that they especially enjoyed. The variety of ways to present the topics made it easy for the 8+9 year olds to enjoy.

Who is a better teacher - expert than one who lives what they present?

Thank you for your help!

Thank you for coming!
