FmHA/RDA AMERICORPS
AGENDA
SEPTEMBER 9, 1994

- I. Cooperative Agreement with Office of Communication
- II. Sites designation letter to States (draft attached)
- III. Administrative costs, especially travel, by State Office and regional facilitators for AmeriCorps
 - State Office to cover FY'94 costs
 - For FY'95, develop administrative costs budget; partnership with National Office to cover costs, though expect highest possible contribution from State Office budget
- IV. Field communication
 - Office of Communication to provide operational direction directly.
 - Politically/policy sensitive issues to be reviewed by FmHA/RDA prior to release
 - Status and progress reports would be provided directly to Office of Communication, summarized for Administrators and U/Sec. quarterly or as needed.
- V. Continuing staff support
 - FmHA detail Jim Coyle directly of Office of Communication for 1 year.
 - RDA to make similar commitment
 - General coordination for FmHA--Pentecost or directly out of Administrator's office.
- VI. FY'96 budget to support AmeriCorps
 - Option 1--line item budget under S&E for direct support, continuing current Office of Communication agreement or run directly.
 - Option 2--request increase in program authorization for 525 TA and create competitive process for nonprofits to operate program.

SUBJECT: AmeriCorps Program

TO: Selected State Directors *

This is to notify you of the sites in your region that have been selected to receive AmeriCorps "members." A listing of these locations, showing "cluster" name (explanation below), state, town/city, and number of members, is attached.

SELECTION

I wish to extend my appreciation to all of you for the information you provided to the AmeriCorps staff regarding possible AmeriCorps locations. In all instances, the information was complete, succinct, precise, and of great assistance to the FmHA and RDA AmeriCorps coordinators and state contacts in selecting locations. We especially appreciate the speed with which you all responded.

Because of your great interest in the program, not all requests for members could be accommodated. A further limitation was the AmeriCorps "clustering" requirement which necessitated our placing FmHA and RDA members within a 50-mile radius/1-hour drive of one another. We have responded by stretching the dispersal of the FmHA/RDA members so that most field offices and EZ/EC applicant communities will receive only one (1) member. Only a handful of offices/communities will have two (2) members, usually to meet the cluster requirement.

That an office did not receive a member is due solely to the above-mentioned requirements; next year we intend to accommodate as many of your requests as possible.

ACTIONS TO BE TAKEN

In the very near future we will be putting together an AmeriCorps "launch" kit containing such information as recruiting materials, application forms, an administrative manual, health benefits applications, child-care information, etc. to begin the recruitment process in your state and at each site.

If you have any questions on this or other any aspect of AmeriCorps, please call Jim Coyle at (202) 690-3505, -6 or Dave Gibson at (202) 720-9434.

CONCLUSION

Thank you again for your interest in and support of AmeriCorps.
I know I can count on you for your continuing help as we go
through our first year.

MICHAEL V. DUNN
Administrator
Farmers Home Administration
