(Fill in All Blank Columns or Those with Question Marks. Use the Attached Blank Form to Enter New Objectives.)

As you are aware, one of the key pieces of information you are to provide with this 2nd QTR progress report is whether or not you intend to renew this site for the next program year beginning approximately Sept/Oct 1996. If you intend to renew this site for the next program year, indicate whether the objectives listed below will remain the same for the next year's program. If they will remain the same write OK next to them, if one will be not be an objective to be performed at this site for next year, write the word DELETE next to it. If you are proposing one or more new objectives for this site identify them using the format attached to question 14. You may write them on this sheet (be sure to include quantity and quality measures) or you may use a separate piece of paper BUT be certain you clearly identify the operating site to which they belong.
