Citizens of Elk Falls
Elk Falls, KS 67345

Dear Citizens of Elk Falls:

I am writing this long overdue letter to express appreciation to the citizens of Elk Falls. On behalf of the Kansas Health and Safety Extension Corps and myself, we would like for you to accept this certificate of appreciation. Many thanks are extended to you for your wonderful hospitality, during the AmeriCorps volunteer work camp, that occurred from May 20-23. You really helped us feel at home while we were there, by providing a place to shower, delicious food, a tour, and delightful entertainment. I had a wonderful time and was glad to be a part of your community project. After seeing so many small Kansas towns that have more or less been left to ruin, it was very refreshing to see what you had done to revitalize your town. I was very happy to be a vital part of that revitalization by helping to complete long overdue projects, such as the bridge, for Elk Falls. It was a very pleasant cultural experience for me and I really enjoyed meeting the different personalities in your town. Once again, thank you, and if I or KHaSEC can do anything for you in the future, especially in the way of health and safety training, please give me a call at 1-800-289-3501, ext. 4911 or at home at (316) 662-3032. If you wish to write, my address follows:

KHaSEC
ATTN: Melinda Owens
1809 Essex Rd.
Hutchinson, KS 67501-9040

I am enclosing information about our program. Please don't hesitate to ask for mine or KHaSEC's assistance. We would truly be glad to help.

Sincerely,

Melinda S. Owens
AmeriCorps/KHaSEC member

SECTION IV - PROGRESS TOWARDS ACCOMPLISHING SERVICE OBJECTIVES:

13. Original Community Service Objectives: Attached are sheets summarizing the community service objectives that were originally approved for each operating site. In cases where a single objective may take an entire year to complete, that objective may have a sub-objectives listed. **You need to fill in the column marked "3rd QTR Quantity" and the column marked "3rd QTR Success" --- as well as any column that is blank, has a zero, or has a question mark --- for EVERY operating site.** Each chart should have the following columns:

"State" - The standard two-letter code for your state

"Obj No" - Each community service objective for each site is assigned an individual number

"Op Site" - Each site's unique operating site identification

"PGM Code" - Each type of service has been assigned a unique code to describe that type of service. See the appendix to this report entitled "Community Service PGM Code List"

"Obj/Impact Statement" - A few words verbally summarizing the community service objective

"Year's QTY Target" - The year's numerical goal for the people or things to be aided

"Target Unit of Measurement" - The unit of measure used in the previous column

"3rd QTR Quantity" - Provide a hard number indicating progress towards the "Year's QTY Target"

"Year's Success Target" - Number for a way of measuring *quality* of service provided --- if this column is blank, has a question mark, or has a zero, please replace it with the accurate information

"Success Unit of Measure" - Explanation of the number in the previous column --- if this column is blank, has a question mark, or has a zero, please replace it with the accurate information

"3rd QTR Success" - Provide a hard number indicating progress towards the "Year's Success Target"

QUARTERLY REPORTS

QUESTION 15. COMMUNITY SERVICE NARRATIVE

STATE SITE

KS T20B

NARRATIVE

1ST QUARTER

- * Helped Salvation Army with Toy distribution in Wichita,
- * Socialized with patients of local nursing home.

2ND QUARTER

- * Clustered with NRCS/Cheney Environmental team on Valentine's Day at Veteran's Administration Hospital (V.A.) in Wichita. Service given to 160 patients. Helped clean up after the honoring of the veterans .
- * February cluster with the following AmeriCorps teams at a Farm Safety show in McPherson with Cheney and Hays teams.
- * Helped U.S. Army Corps of Engineers, see letter, place Christmas trees

3RD QUARTER

- * Helped with a museum for four days
- * Helped with 4-H auction
- * Helped with local animal shelter
- * Helped at rural old time movie theater

The AmeriCorps workers thanked the Elk Falls community for its hospitality during the three-day work projects. Meals, tools, equipment and materials were furnished locally with the workers furnishing the labor.

Friends of Elk Falls wish to recognize the following who assisted: Meals furnished by Cape Cod Restaurant, Ed's Sunny Lane, Country Kisses and city of Elk Falls; Supervised help at the bridge - Melvin Friend, Paul Bocquin and Paul Eck; Supervised help at highway memorial - Butch Wyler; wagon tour - Bill Lemon and Marjorie Cunningham; tools and equipment - Don Armstrong of Sedan and many others.

"Saturday at the Falls" is a new tourist feature that began in May and includes most of the attractions that were opened on Sundays in previous years. The public is invited to see the new facelift of this quaint and historic village.

The Visitor Center is available for art shows and special exhibits on Saturday. Phone 316 329-4380 for arrangements.

QUESTION 13. PROGRESS TOWARDS ACCOMPLISHING ORIGINAL COMMUNITY SERVICE OBJECTIVES

(Fill in All Blank Columns or Those with Question Marks. Use the Attached Blank Form to Enter New Objectives.)

As you are aware, one of the key pieces of information you are to provide with this 2nd QTR progress report is whether or not you intend to renew this site for the next program year beginning approximately Sept/Oct 1996. If you intend to renew this site for the next program year, indicate whether the objectives listed below will remain the same for the next year's program. If they will remain the same write OK next to them, if one will be not be an objective to be performed at this site for next year, write the word DELETE next to it. If you are proposing one or more new objectives for this site identify them using the format attached to question 14. You may write them on this sheet (be sure to include quantity and quality measures) or you may use a separate piece of paper BUT be certain you clearly identify the operating site to which they belong.

2ND QTR REPORT

15. Community Service Objectives Narrative (optional): If you feel it is necessary and/or helpful, you may use this space to describe in more detail accomplishments towards the original community service objectives reported in question 13 and/or your additional community service objectives reported in question 14. Please make sure you include the Operating Site ID Number in each narrative description so we can be clear which accomplishment is matched to which site.

16. Community Building Objectives Narrative (optional): Briefly describe how projects have brought together diverse groups of people, empowered communities to solve their own problems, built long-term structures that will last beyond each AmeriCorps Member's term of service, and generally improved the abilities of local citizens to help improve their own lives.

17. AmeriCorps Member Development Objectives Narrative (optional): Briefly describe how the AmeriCorps Members themselves have benefited from serving in the program, particularly in regard to expanding their own educational opportunity and increasing their own ethic of personal responsibility. Describe specific skills learned by Members through either their service or training. Describe any Members that earned a GED or otherwise advanced their education. Describe any Members that left public assistance to join AmeriCorps. Relate how AmeriCorps allowed Members to continue college or graduate school. Describe how Members may have changed their ethic of work, citizenship, or community volunteerism.

SECTION V - SUCCESS STORIES:

18. **Unique Successes or Great Stories :** Briefly describe one or two unique and/or exceptional success stories, a program highlight, or a 'great story' from your state. Please explain any instance in which AmeriCorps Members recruited non-AmeriCorps community volunteers for projects. Please include all media coverage, including original newspaper clips, videotapes of TV coverage, and cassette tapes of radio coverage; any letters of support or thank you letters; "before and after" photographs, brochures, posters, and newsletters created by the project; and other types of creative documentation.

SECTION VI - CHALLENGES

19. **Difficulties Faced by the Program:** Use this section to report on any problems your Members have encountered in the program this period. These should be significant issues which were related to achieving objectives, significant delays in implementation, administrative problems, or any other expectations, events or incidents that have caused the Members concern. State the problem concisely and how the issue has, or has not been resolved. Be sure to outline the steps taken and identify any resources needed to assist in resolving the problem.

SECTION V - GENERAL INFORMATION

20. **National Identity Activities (OPTIONAL):** Please describe any activities undertaken by Members that fostered the national identity of AmeriCorps. These could include joint service activities, meetings with other AmeriCorps projects, national telephone conference calls, use of Internet to communicate with other sites, etc.

21. **Organizational Changes:** Please outline and describe any changes in your program's organization and/or structure during the quarter.

22. **Organizational Improvements (OPTIONAL):** Please write any suggestions by you, your Members, site managers, or anyone else regarding ways in which the USDA or CNS AmeriCorps program could be improved.

23. **Primary Training and Technical Assistance Needs (OPTIONAL):** Please specify precisely what kind of staff or Member training or other technical assistance can be provided by USDA, the Corporation for National Service, or other sources to improve your projects.

SECTION IV - PROGRESS TOWARDS ACCOMPLISHING SERVICE OBJECTIVES:

13. **Original Community Service Objectives:** Attached are sheets summarizing the community service objectives that were originally approved for each operating site. In cases where a single objective may take an entire year to complete, that objective may have a sub-objective listed. **You need to fill in the column marked "1st QTR Quantity" and the column marked "1st QTR Success" --- as well as any column that is blank, has a zero, or has a question mark --- for EVERY operating site.** Each chart should have the following columns:

"State" - The standard two-letter code for your state

"Obj No" - Each community service objective for each site is assigned an individual number

"Op Site" - Each site's unique operating site identification

"PGM Code" - Each type of service has been assigned a unique code to describe that type of service. See the appendix to this report entitled "Community Service PGM Code List"

"Obj/Impact Statement" - A few words verbally summarizing the community service objective

"Year's QTY Target" - The year's numerical goal for the people or things to be aided

"Target Unit of Measurement" - The unit of measure used in the previous column

"1st QTR Quantity" - Provide a hard number indicating progress towards the "Year's QTY Target"

"Year's Success Target" - Number for a way of measuring *quality* of service provided --- if this column is blank, has a question mark, or has a zero, please replace it with the accurate information

"Success Unit of Measure" - Explanation of the number in the previous column --- if this column is blank, has a question mark, or has a zero, please replace it with the accurate information

"1st QTR Success" - Provide a hard number indicating progress towards the "Year's Success Target"

15. Community Service Objectives Narrative (optional): If you feel it is necessary and/or helpful, you may use this space to describe in more detail accomplishments towards the original community service objectives reported in question 13 and/or your additional community service objectives reported in question 14. Please make sure you include the Operating Site ID Number in each narrative description so we can be clear which accomplishment is matched to which site.

KS T20B E015 helped plan outdoor learning classroom for students in Bourbon County
KS T20B E058 has taken the lead in getting companies and farmers to recycle hazardous materials in three counties. Is being used as a facilitator by county entities on this matter
KS T20B Has set up training for 200 firefighters on how to deal with hazardous materials. The training will be conducted during the second quarter and will include farmers
KS T20B E092, she has brought together personnel from farm organizations, conservation districts, and farmers

16. Community Building Objectives Narrative (optional): Briefly describe how projects have brought together diverse groups of people, empowered communities to solve their own problems, built long term structures that will last beyond each AmeriCorps Member's term of service, and generally improved the abilities of local citizens to help improve their own lives.

KS T20B, The new objectives have brought together farmers, townspeople, and government officials. In addition employees of farm groups and businesses have been brought together to work on a common problem.

17. AmeriCorps Member Development Objectives Narrative (optional): Briefly describe how the AmeriCorps Members themselves have benefited from serving in the program, particularly in regard to expanding their own educational opportunity and increasing their own ethic of personal responsibility. Describe specific skills learned by Members through either their service or training. Describe any Members that earned a GED or otherwise advanced their education. Describe any Members that left public assistance to join AmeriCorps. Relate how AmeriCorps allowed Members to continue college or graduate school. Describe how Members may have changed their ethic of work, citizenship, or community volunteerism.

KS T20A..Through adverse conditions members have learned to deal with racial disharmony. One member was given the opportunity to attend the National Multicultural Institute's Diversity workshop.

SECTION V - SUCCESS STORIES:

- 18. Unique Successes or Great Stories :** Briefly describe one or two unique and/or exceptional success stories, a program highlight, or a 'great story' from your state. Please explain any instance in which AmeriCorps Members recruited non-AmeriCorps community volunteers for projects. Please include all media coverage, including original newspaper clips, videotapes of TV coverage, and cassette tapes of radio coverage; any letters of support or thank you letters; "before and after" photographs, brochures, posters, and newsletters created by the project; and other types of creative documentation.

KS T20B.. Plans have been developed to train firefighters in several counties in the handling of hazardous materials. She has developed plans to help farmers and citizens of different counties recycle waste materials.

Item 11

Volunteers helped haul trash, refurbish buildings and organize a water testing clinic.

SECTION VI - CHALLENGES

- 19. Difficulties Faced by the Program:** Use this section to report on any problems your Members have encountered in the program this period. These should be significant issues which were related to achieving objectives, significant delays in implementation, administrative problems, or any other expectations, events or incidents that have caused the Members concern. State the problem concisely and how the issue has, or has not been resolved. Be sure to outline the steps taken and identify any resources needed to assist in resolving the problem.

KS T20A...The members of the Kickapoo team encountered apathy and hostility in their environment. Due to the danger that the members were seemingly in, the team was dissolved.

SECTION V - GENERAL INFORMATION

20. **National Identity Activities (OPTIONAL):** Please describe any activities undertaken by Members that fostered the national identity of AmeriCorps. These could include joint service activities, meetings with other AmeriCorps projects, national telephone conference calls, use of Internet to communicate with other sites, etc.

14. PROGRESS TOWARDS ACCOMPLISHING ADDITIONAL COMMUNITY SERVICE OBJECTIVES

Use this section to report progress towards completing additional new objectives --- those objectives in addition to the main objectives of each project listed on the proceeding page. Please fill in all columns for all objectives. It is important to make sure that each objective is listed with its own "OP site" (Operating site) code; this ensures that we know precisely what service is performed at each site. Please fill in all columns for each objective. Under "Obj No.," please give each new objective a number different from the number used for any of the objectives on the proceeding page. Under "PGM Code", please use a one-letter and three-digit code to describe the service from the code list provided at the end of this report. Under "Obj/Impact statement," provide a several-word summary of the nature of the service project -- this verbal summary should roughly match the "PGM Code" listed in the previous column. Under "Year's QTY Target," provide a hard number for the people or things aided. Under "Target Unit of Measurement," specify what unit of measure was used in the previous column -- such as miles, number of people served, acres, etc. Under "1st QTR Quantity," provide a hard number indicating progress towards the "Year's QTY Target" that was accomplished during this reporting period. Under "Year's Success Target," provide a hard number for a way of measuring how well the service was provided. Under "Successes Unit of Measure," specify exactly what the number in the previous column meant. Under "1st QTR Success," provide a hard number indicating progress towards the "Year's Success Target" that was accomplished during this reporting period.

SUBJECT: Year-to-Date Data on Objectives and Member Forms

Attached is a "year-to-date" progress report showing accomplishments on objectives through the third quarter report. **This data, plus the fourth quarter data, will be provided to members of Congress representing your state and to your agency leaders. It is imperative that the information reflected in this report be as accurate as possible.** The report also shows the degree to which you have accomplished your objectives which were agreed to at the beginning of this program year.

I ask that you carefully review this report. Review each objective with the following items in mind:

1. **Accuracy of the data.** This information will be shared with many different groups, and it is important to be accurate in our reporting as well as getting credit for all the great work you have done during the year.

2. **Completion of community service objectives.** One way to determine the successful completion of objectives is to measure accomplishments against the target quantity measurement which you established at the beginning of the year. The table below gives you a snapshot picture of your accomplishments through the third quarter. The last five columns reflects your work measured against the target quantity.

SITE #	NUMBER OF OBJECTIVES	NUMBER OF OBJECTIVES EXCEEDED	NUMBER OF OBJECTIVES AT 100%	NUMBER OF OBJECTIVES 50-100% COMPLETE	NUMBER OF OBJECTIVES 0-50% COMPLETE	NO TARGET QUANTITY
X20B	27	4	20		1	2
X20C	23	8	11	1	1	2
X20D	25	7	14	1	1	2
X20E	16	5	7	1	1	2
X20F	38	2	19	4	13	
Y20A	12	3	8		1	
Y20B	11	3	5	2		1

3. **Program codes.** Review the program code for each of your objectives. Please be sure that the data you are recording for quantity matches the quantity for that program code. If you are counting something other than the quantity measurement for the code, please indicate exactly what you are counting.

4. **Congressional Districts.** Please indicate in which Congressional District(s) the work was actually accomplished. This will let us be very specific to Members of Congress as to what work was done in their district.

5. **Volunteers.** Please explain what the volunteers have done with your AmeriCorps members. Also ensure that the volunteer numbers you have been providing to us each quarter is for the quarter **only**, not cumulative for the year.

Your assistance in this reporting enables us to meet our legal obligations as well as providing us with the necessary information to promote our USDA AmeriCorps program to all interested parties. Providing this data in an accurate and timely manner is one of your most important duties as an AmeriCorps Project Director.

* The number of Members allocated should equal the number of active members, those members whose trust status is "A" and whose Program Status is "A". If your report shows five members with "A" "A" status and yet you only have four active members, this means you have not submitted an end of term of service form for the member for the member who is no longer active. Conversely, if your report shows five members with an "A" "A" status and you actually have six members active, you have not submitted an enrollment form for the active member whose name is not shown on this report. If that is the case, list the names, SSN, Status and hours of the missing members on this sheet and send the enrollment forms to the USDA Director of National Service. If enrollment form was sent directly to the Corporation, send copies to the USDA Director of National Service immediately. If you have replaced members be certain to indicate whether the replacements are full or part-time [NOTE: The USDA Director of National Service must approve conversion of full-time slots to part-time slots IN ADVANCE.]

SECTION IV - PROGRESS TOWARDS ACCOMPLISHING SERVICE OBJECTIVES:

13. **Original Community Service Objectives:** Attached are sheets summarizing the community service objectives that were originally approved for each operating site. In cases where a single objective may take an entire year to complete, that objective may have a sub-objectives listed. **You need to fill in the column marked "3rd QTR Quantity" and the column marked "3rd QTR Success" --- as well as any column that is blank, has a zero, or has a question mark --- for EVERY operating site.** Each chart should have the following columns:

"State" - The standard two-letter code for your state

"Obj No" - Each community service objective for each site is assigned an individual number

"Op Site" - Each site's unique operating site identification

"PGM Code" - Each type of service has been assigned a unique code to describe that type of service. See the appendix to this report entitled "Community Service PGM Code List"

"Obj/Impact Statement" - A few words verbally summarizing the community service objective

"Year's QTY Target" - The year's numerical goal for the people or things to be aided

"Target Unit of Measurement" - The unit of measure used in the previous column

"3rd QTR Quantity" - Provide a hard number indicating progress towards the "Year's QTY Target"

"Year's Success Target" - Number for a way of measuring *quality* of service provided --- if this column is blank, has a question mark, or has a zero, please replace it with the accurate information

"Success Unit of Measure" - Explanation of the number in the previous column --- if this column is blank, has a question mark, or has a zero, please replace it with the accurate information

"3rd QTR Success" - Provide a hard number indicating progress towards the "Year's Success Target"

15. **Community Service Objectives Narrative (optional):** If you feel it is necessary and/or helpful, you may use this space to describe in more detail accomplishments towards the original community service objectives reported in question 13 and/or your additional community service objectives reported in question 14. Please make sure you include the Operating Site ID Number in each narrative description so we can be clear which accomplishment is matched to which site.
16. **Community Building Objectives Narrative (optional):** Briefly describe how projects have brought together diverse groups of people, empowered communities to solve their own problems, built-long term structures that will last beyond each AmeriCorps Member's term of service, and generally improved the abilities of local citizens to help improve their own lives.
17. **AmeriCorps Member Development Objectives Narrative (optional):** Briefly describe how the AmeriCorps Members themselves have benefited from serving in the program, particularly in regard to expanding their own educational opportunity and increasing their own ethic of personal responsibility. Describe specific skills learned by Members through either their service or training. Describe any Members that earned a GED or otherwise advanced their education. Describe any Members that left public assistance to join AmeriCorps. Relate how AmeriCorps allowed Members to continue college or graduate school. Describe how Members may have changed their ethic of work, citizenship, or community volunteerism.

SECTION V - SUCCESS STORIES:

18. **Unique Successes or Great Stories :** Briefly describe one or two unique and/or exceptional success stories, a program highlight, or a 'great story' from your state. Please explain any instance in which AmeriCorps Members recruited non-AmeriCorps community volunteers for projects. Please include all media coverage, including original newspaper clips, videotapes of TV coverage, and cassette tapes of radio coverage; any letters of support or thank you letters; "before and after" photographs, brochures, posters, and newsletters created by the project; and other types of creative documentation.

SECTION VI - CHALLENGES

19. **Difficulties Faced by the Program:** Use this section to report on any problems your Members have encountered in the program this period. These should be significant issues which were related to achieving objectives, significant delays in implementation, administrative problems, or any other expectations, events or incidents that have caused the Members concern. State the problem concisely and how the issue has, or has not been resolved. Be sure to outline the steps taken and identify any resources needed to assist in resolving the problem.

SECTION V - GENERAL INFORMATION

20. **National Identity Activities (OPTIONAL):** Please describe any activities undertaken by Members that fostered the national identity of AmeriCorps. These could include joint service activities, meetings with other AmeriCorps projects, national telephone conference calls, use of Internet to communicate with other sites, etc.

21. **Organizational Changes:** Please outline and describe any changes in your program's organization and/or structure during the quarter.

22. **Organizational Improvements (OPTIONAL):** Please write any suggestions by you, your Members, site managers, or anyone else regarding ways in which the USDA or CNS AmeriCorps program could be improved.

23. **Primary Training and Technical Assistance Needs (OPTIONAL):** Please specify precisely what kind of staff or Member training or other technical assistance can be provided by USDA, the Corporation for National Service, or other sources to improve your projects.

There are Members enrolled in programs whose forms have not been submitted to the USDA Director of National Service. If that is the case, list the names, SSN, Status and hours of the missing members on the back of this sheet and send the enrollment forms to the USDA Director of National Service. 2. The enrollment forms were sent directly to the Corporation. If that is the case, send copies to the USDA Director of National Service immediately. 3. There are vacancies in your program you intend to fill in the next reporting period. If that is the case, enter the number of vacancies on the appropriate line. 4. There are vacancies that you can not fill and you are relinquishing them.

REMEMBER, MEMBERS WHOSE FORMS HAVE NOT BEEN RECEIVED AT USDA ARE NOT CONSIDERED ENROLLED IN THE PROGRAM AND THEIR BENEFITS (EDUCATION AWARD,ETC.) ARE JEOPARDIZED!!!

If the number of members for whom forms have been received is greater than the number of members allocated resulting in a negative number appearing in the "No. of Members for Whom Forms Have NOT Been Received" line, you have enrolled more members in your program than authorized. Please explain this over enrollment. It may be that some members have terminated, in which case, change their status on this form and submit the proper end of term of service form to the USDA Director of National Service.

SECTION IV - PROGRESS TOWARDS ACCOMPLISHING SERVICE OBJECTIVES:

13. Original Community Service Objectives: Attached are sheets summarizing the community service objectives that were originally approved for each operating site. In cases where a single objective may take an entire year to complete, that objective may have a sub-objectives listed. **You need to fill in the column marked "1st QTR Quantity" and the column marked "1st QTR Success" --- as well as any column that is blank, has a zero, or has a question mark --- for EVERY operating site.** Each chart should have the following columns:

"State" - The standard two-letter code for your state

"Obj No" - Each community service objective for each site is assigned an individual number

"Op Site" - Each site's unique operating site identification

"PGM Code" - Each type of service has been assigned a unique code to describe that type of service. See the appendix to this report entitled "Community Service PGM Code List"

"Obj/Impact Statement" - A few words verbally summarizing the community service objective

"Year's QTY Target" - The year's numerical goal for the people or things to be aided

"Target Unit of Measurement" - The unit of measure used in the previous column

"1st QTR Quantity" - Provide a hard number indicating progress towards the "Year's QTY Target"

"Year's Success Target" - Number for a way of measuring *quality* of service provided --- if this column is blank, has a question mark, or has a zero, please replace it with the accurate information

"Success Unit of Measure" - Explanation of the number in the previous column --- if this column is blank, has a question mark, or has a zero, please replace it with the accurate information

"1st QTR Success" - Provide a hard number indicating progress towards the "Year's Success Target"

Dear Ken:

On behalf of the Fick Fossil and History Museum Board of Directors and the community of Oakley, I would like to thank you and the entire AmeriCorp team for the recently completed interior painting project. The quality of the work and the professional attitude of the team members reflects well upon the AmeriCorp project.

It had been twenty years since any interior restoration and improvements had been made to the museum. Museums have great responsibility to collect, present and preserve items reflecting the history of the area. The museum is currently undergoing many changes and improvements as we strive to fulfill our goal of providing social and educational opportunities for residents and visitors to be here. We had planned to improve the presentation and display of our collection, however, the cost and time factor had posed a great problem for us. The assistance from the AmeriCorp helped make those improvements a reality.

The change is one that is extremely visible to the visitor and the overwhelming reaction has been very positive; both to the change in the display techniques and the efforts of the AmeriCorp team. The AmeriCorp has helped shape the future of the community by assisting in the preservation of the past.

Again, we thank you and the entire AmeriCorp team for your valuable service to our community.

Sincerely,

Nancy Baalman,
Curator

*The purpose of the Fick Fossil and History Museum is to collect, preserve,
and interpret the artifacts and history reflecting the geological formation, historical development,
and the cultural and artistic diversity of Northwest Kansas.*

SECTION V - SUCCESS STORIES:

18. **Unique Successes or Great Stories :** Briefly describe one or two unique and/or exceptional success stories, a program highlight, or a 'great story' from your state. Please explain any instance in which AmeriCorps Members recruited non-AmeriCorps community volunteers for projects. Please include all media coverage, including original newspaper clips, videotapes of TV coverage, and cassette tapes of radio coverage; any letters of support or thank you letters; "before and after" photographs, brochures, posters, and newsletters created by the project; and other types of creative documentation.

SECTION VI - CHALLENGES

19. **Difficulties Faced by the Program:** Use this section to report on any problems your Members have encountered in the program this period. These should be significant issues which were related to achieving objectives, significant delays in implementation, administrative problems, or any other expectations, events or incidents that have caused the Members concern. State the problem concisely and how the issue has, or has not been resolved. Be sure to outline the steps taken and identify any resources needed to assist in resolving the problem.

SECTION V - GENERAL INFORMATION

20. **National Identity Activities (OPTIONAL):** Please describe any activities undertaken by Members that fostered the national identity of AmeriCorps. These could include joint service activities, meetings with other AmeriCorps projects, national telephone conference calls, use of Internet to communicate with other sites, etc.

21. **Organizational Changes:** Please outline and describe any changes in your program's organization and/or structure during the quarter.

22. **Organizational Improvements (OPTIONAL):** Please write any suggestions by you, your Members, site managers, or anyone else regarding ways in which the USDA or CNS AmeriCorps program could be improved.

23. **Primary Training and Technical Assistance Needs (OPTIONAL):** Please specify precisely what kind of staff or Member training or other technical assistance can be provided by USDA, the Corporation for National Service, or other sources to improve your projects.

* If the number of Members allocated is greater than the number of forms received, there are four options: 1. There are Members enrolled in programs whose forms have not been submitted to the USDA Director of National Service. If that is the case, list the names, SSN, Status and hours of the missing members on the back of this sheet and send the enrollment forms to the USDA Director of National Service. 2. The enrollment forms were sent directly to the Corporation. If that is the case, send copies to the USDA Director of National Service immediately. 3. There are vacancies in your program you intend to fill in the next reporting period. If that is the case, enter the number of vacancies on the appropriate line. 4. There are vacancies that you can not fill and you are relinquishing them.

PLEASE REMEMBER, MEMBERS WHOSE FORMS HAVE NOT BEEN RECEIVED HERE AT USDA ARE NOT CONSIDERED OFFICIALLY ENROLLED IN THE PROGRAM AND THEIR BENEFITS (EDUCATION AWARD, HEALTH CARE, ETC.) ARE JEOPARDIZED!!!

If the number of members for whom forms have been received is greater than the number of members allocated resulting in a negative number appearing in the "No. of Members for Whom Forms Have NOT Been Received" line, you have enrolled more members in your program than authorized. Please provide an explanation for this over enrollment. (It may be that some members have terminated, in which case, change their status on this form and submit the proper end of term of service form to the USDA Director of National Service.
