Jess and Ida--let's try for Monday, July 8 at 3:30 p.m. in 8501.

Jess, thanks for letting us have Ron--he helped both Ida and me to pick some things for Jim's party and things Shirley had bought for her thank you to the AmeriCorps grants group.

Subject: Budget Meet with Shirley Friday after 11:00?
Importance: High

I just head from Tracy that Shirley's last day as Exec Dir is tomorrow. I have several budget items that I need to get an update from her on, projects she was following, and approval for a few things she had held in the background to see if we were all covered. I've available anytime after 11, although my preference would be in mid-late afternoon so I have more time to summarize some numbers. I think she and I should meet with Tracy if possible, but without TG if she can't make it. Could Avelina and Ida coordinate?
