The Honorable Zell Miller
Governor of Georgia
Atlanta, Georgia 30334-0900

Dear Zell:

I just wanted to say how much Hillary and I
have enjoyed seeing you these past two weeks.
You've done a great job hosting the Olympics
and dealing with the challenges that have come
with the bombing in Centennial Olympic Park.

Please give our best to Shirley. I know
Georgia will continue to shine through the
closing ceremonies.

Sincerely,

Bill
