The Honorable & Mrs. Bill Clinton  
 The Whitehouse, 16 Pennsylvania Avenue  
 Washington, D.C. 20500

Dear President & Mrs. Clinton:

Fifty years of world-class care by Miami Jewish Home and Hospital for the Aged at Douglas Gardens...and that tradition of excellence will be celebrated on Saturday evening, ~~December 7th~~, in the Grand Ballroom of the Miami Beach Convention Center.

This letter comes from our "Home" to yours with an invitation to share in that unique and wonderful occasion as the Home celebrates its half-century of service to the South Florida community.

~~It is our privilege to invite you to participate as "Honorary Co-Chairs" for the gala that will culminate our jubilee year's calendar of special events. The evening will serve, as well, to honor and pay tribute to Hazel and Irving Cypen, who have helped forge the Home's international reputation as the largest center for comprehensive geriatric care, programs and services in the Southeastern United States. We are delighted that CNN's Larry King will serve as National Honorary Chair for the Gala.~~

We would be privileged if you would accept this honorary position and, schedule permitting, share the exciting evening with us and so many of the Home's friends among Florida's leadership.

Kindly take a moment to complete and return the enclosed response-form so that we may list you in our invitation and commemorative journal. If we may be of assistance as you consider this invitation, please call us at (305) 751-8626, ext. 124 or (800) 673-3347, ext. 124.

We look forward to celebrating with you on December 7th and for many years in the Home's future serving our mutual constituencies.

Sincerely,

Dear Ms. Currie:

Re: Inaugural Events in San Diego

I will be hosting two events on inauguration day to recognize that important occasion and celebrate President Clinton's election next month. I would like to offer the same menu that will be served in The White House on that day. Can you assist me in obtaining the breakfast and dinner menus that are planned for that day?

Any help you can extend would be sincerely appreciated.

Sincerely,

  
Jeffrey D. Wynne

Dear Mr. President:

Congratulations on being elected to your second term as President of this great nation.

It gives me a special sense of pride to know that a fellow "Hoya" will lead the expanding "Free World" into the next millenium.

As I recently had the opportunity to tell you among the large crowd at the Miami Dade Community College, we in Nicaragua are beginning to appreciate the positive aspects of representative democracy due in large part to your government's leadership.

Best personal regards,
