HAPPY HIGH SCHOOL GRADUATION DAY TO CHELSEA and all the Clinton family!

I can only imagine what a happy and nostalgic day this will be— "Sunrise, Sunset, swiftly go the years, one season following another, laden with happiness and tears".

We are thinking of you as you speak to the Sidwell Friends class of 1997, and as you live these days.

Let us know if there's any way we can befriend you. As the winds of change blow, and with all the uncertainties of life, please be certain of our unchanging love, our thoughts and our prayers.

Dear Bill:

Thanks for your letter. I'm glad you enjoyed my speech at the Sidwell graduation. It was an honor to be asked to deliver it.

I can tell we share a lot of the same parental emotions. Even though you had practice with your first daughter, I'm not surprised that it wasn't any easier dealing with the joy (and sadness) of the occasion.

My very best wishes to you and your family.  
Good luck to Kathryn.

Sincerely,

Bill Clinton

Dear Mr. President,

As a fellow Sidwell dad, I write to say how much JoAnne and I enjoyed your apt and poignant remarks at yesterday's commencement.

Kathryn's was our second daughter's graduation from the school, and I expected that this time it would be easier for us all. It wasn't, and can't be, because as you know — each parent and child have unique bonds — as fresh as a jazz solo or, in your image, a new day.

At first, I thought of you and Chelsea and said, "Too bad it's his first graduation."

But after yesterday I said, "Thank God it's his last."

You touched our hearts with your talk  
→ students and parents alike.

Thank you!

Sincerely,

Bill Lounette
