December 23, 1997

Dear President Clinton,

Please accept these gifts on our behalf . They were made for you by students of the Jewish Primary Day School of Adas Israel (JPDS). We are very excited to be able to present them to you in person. The dreidle really does spin and when you're tired of playing with it, it can rest on its stand. Thank you for inviting us!

We are glad that you're back from Bosnia and we hope that soon there will be peace - all over the world. Thank you for working so hard for it!

We hope that you will have a wonderful holiday and enjoy your family's being together again.

To Burkhardt for reply
after you have seen.

Sincerely,

Susan Koss
