Re: Confirmation of Alexis M. Herman for Position of U.S. Secretary of Labor

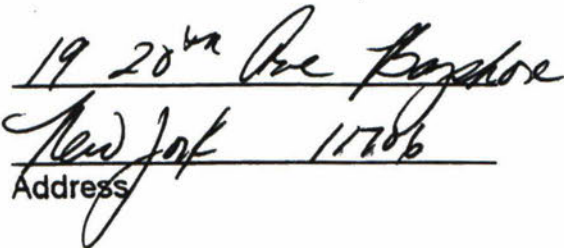

Dear Senator Kennedy:

I am writing to urge you to support the confirmation of Alexis M. Herman as U.S. Secretary of Labor. Ms. Herman is capable, committed and has all the skills required to hold this position. I am requesting that you use your influence in your unique role to secure a confirmation hearing for her within the next two weeks. I also urge that you vote for her confirmation.

I am appalled that of all the cabinet nominees, she is the only one without a scheduled hearing date. In my view, there is an issue here involving fundamental fairness. I will continue to monitor this issue very closely and I am depending on you to play a significant role in seeing that Alexis Herman is confirmed.

Sincerely,

Re: Confirmation of Alexis Herman

Dear Senator Kennedy:

I am writing to urge you to support the confirmation of Alexis M. Herman as U.S. Secretary of Labor. Ms. Herman is experienced, capable, committed and has all the skills required to hold this position. I would ask that you use your influence to secure a confirmation hearing for her as soon as possible. I also strongly urge you to vote for her confirmation.

I am appalled, greatly distressed and fail to understand why out of all the cabinet nominees she is the ONLY one without a scheduled hearing. This is an issue involving basic fairness that I feel confident you will want to rectify. I have been and will continue to monitor this situation closely and hope that you and your colleagues will do what is right.

Thank you for your time and attention. I greatly appreciate all your work on behalf of the American people.

Sincerely,

Dear Senator Kennedy:

I was quite disturbed by the January 30th front page story in the *Washington Post* about the nomination of Alexis Herman "being in trouble" due to her "outreach to the African-American Community." I am sure you agree that the time has passed in American that we can tolerate a "double standard" for African-Americans and even worse treatment for African-American females.

Alexis Herman served President Clinton in the same manner as Elizabeth Dole served President Reagan. Ms. Dole became the first female Secretary of Transportation and Ms. Herman has been nominated as the first African-American female Secretary of Labor. The rhetoric of Jack Kemp, Colin Powell and even Newt Gingrich calls for inclusion and diversity. I urge you to support the nomination of Ms. Herman and make those pledges into reality.

I look forward to hearing of your strong support for the Herman nomination.
