GLOBAL CLIMATE CHANGE OBSERVER GROUP (Senate - July 31, 1997)

[Page: S8482]

Mr. LOTT. Mr. President, under the provisions of Senate Resolution 98 regarding global climate change, the two leaders have the authority to appoint 12 Senators to serve on the Global Climate Change Observer Group.

Last week, the Senate adopted the Hagel-Byrd resolution regarding global climate change. This resolution encouraged the creation of a bipartisan group of Senators to monitor the status of negotiations on global climate change and to report periodically to the Senate on those negotiations.

As such, the minority leader and I have appointed 12 Senators to serve on this Global Climate Change Observer Group.

Due to their diligent efforts on the global climate issue, I have asked our colleague from Nebraska, **Chuck Hagel**, to serve as chairman, and the distinguished gentleman from West Virginia, **Robert Byrd**, to serve as cochairman of the group.

The other Members of the observer group will include Senators ^{MT}Abraham, ^{RI}Chafee, ^{SD}Craig, ^{AK}Murkowski, ^{MT}Roberts, ^{MT}Baucus, ^{NM}Bingaman, ^{MA}Kerry, ^{MD}Levin, and ^{CT}Lieberman.

I greatly appreciate our colleagues' willingness to take on this important task and look forward to hearing their reports.
