RE: Todd Stern's Biography

Number of pages including cover sheet: 1

Dear Jonathan,

Many thanks for the biography of Todd Stern - I now have a better appreciation of why your office is so incredibly busy!

It looks like BP will be hiring me as a part-time consultant on climate change issues for the coming academic year, when I shall be completing a Master's in Public Policy at the Kennedy School of Government (specializing in environment and energy policy). So, I hope that we can keep in touch as things develop. My number in Cambridge, as of September 5th., will be 617-441-3722.

Thanks again for your help.

Regards,

Nick Bent.
