Dear Climate Change Luncheon Participant,

As the climate issue heats up, the relevance and importance of our Climate Luncheon series becomes greater, for meeting and learning from experts, and for developing a better understanding of each other and the issues.

These are the next scheduled events; please note the very recent addition of John Browne from British Petroleum (this session will be held jointly with the members of the President's Council on Sustainable Development).

John Browne
Group Chief Executive, BP
Monday, August 11
1:00-2:30
Main State, TBA

Harry Pearce
Vice President, General Motors
Tuesday, August 26
12:00-1:30 p.m.
Henry Clay Room, Main State

James Wolfensohn
President, World Bank
Wednesday, September 3
12:30-2:00 p.m.
Henry Clay Room, Main State

We also have invitations to Dale Jorgenson, Kenneth Arrow, Michael Oppenheimer, Richard Cooper, and Robert Stavins. I look forward to any ideas you may have for guests.

Attached is a list of guests to date and a list of luncheon attendees and their contact points within the Administration. We agreed that the luncheon works best without substitutes.

You will note that the number of participants in the Climate Luncheons exceeds our space for 22 at the table. In order to assure your spot at the upcoming luncheons, please respond as soon as possible to Debbie Jones at 647-6205.

With best regards,

Sincerely yours,

Timothy E. Wirth

Buy Direct from the
Manufacturer...Office
and Computer Furniture...
Quality Made in the U. S. A.

Dear Buyer:

Spectrum Industries, a Wisconsin furniture manufacturer, has developed several lines of quality office, plant, and computer lab furniture which is sold "Factory Direct" to Federal GSA customers. These furniture lines are shown in the enclosed GSA catalog. All are priced at a special 49½ % discount from our regular list prices.

Over the past 28 years Spectrum Industries has designed and produced more than 2,500 proprietary products for business and education. Our 123,000 square foot wood manufacturing plant and 27,356 square foot metal manufacturing plant is located on fourteen acres in the Chippewa Falls, Wisconsin Industrial Park.

We guarantee all our products to be made from the finest materials, engineered to exact specifications, crafted by dedicated workers, and delivered to our customers on time...**we guarantee complete customer satisfaction.** See our guarantee on the back page of the GSA catalog.

Through the years we have sold our quality products to thousands of Federal government agencies. They all agree, our products are First Class and our service is Tops. Please read the enclosed flyer for the names of just a few of our satisfied GSA customers.

All of the furniture in your GSA catalog is in stock, ready for immediate shipment. We guarantee you will be satisfied with whatever line of furniture you choose. **Customer Service is our #1 priority.** Call us **Toll Free at 1-800-235-1262** with any questions or to place an order.

Of all of the Spectrum product lines, the versatile "Hi-Tech" office furniture grouping continues to set the pace for today's modern office needs. The feature of the line is the Corner Work Station, which changes dead corner space into an efficient, attractive, high-quality work center.

The high pressure laminate work surface, rounded Oak front edge, and 16-gauge tubular steel legs make this grouping attractive, sturdy, and functional. We guarantee you will be pleased with the quality and low price.

Our "CLASS" and "CAREER 2000" lines have the same features as "Hi-Tech". This versatile

(OVER)

furniture — with our unique Cable-Guard Cord Management System — is currently in over 5,476 colleges, secondary, and primary classrooms and libraries in all fifty states. We're sure you will find it fits perfectly into your training centers and classrooms.

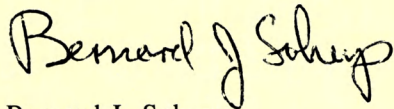

The quality "Modular Oak Furniture" line features the new popular Medium Oak color. This elegant furniture has Solid Oak side panels and drawer fronts. The work surfaces are long-wearing, matching high pressure laminate. The 28" high work surface creates a comfortable working height for keyboarding and writing. Choose from two size desks, a corner work station, communications center, and closed storage hutches.

We offer two types of security work stations...The "Freedom Series" for use in your office or media center and our "Industrial Computer Stations" for rugged shop or warehouse facilities. Both offer Spectrum's quality, convenience, and rugged durability.

The last page of this catalog has all the necessary ordering information you need to make it easy to place your order "Factory Direct" with Spectrum. If you have any questions or special requests, or need additional catalogs, please **CALL** one of our Customer Service reps **TOLL FREE** at **1-800-235-1262** or **FAX** us **TOLL FREE** at **1-800-335-0473**. E-mail your requests to spectrum@discover-net.net.

We look forward to serving all your furniture needs.
