THE AMERICAN EXPERIENCE REAGAN ON PBS

Premiering Monday and Tuesday, February 23 and 24, 1998 at 9:00 p.m. ET on PBS.

*The first television biography of the 40th president of the United States, **Reagan** examines the actor, governor and president who saw America as a "shining city on a hill," a beacon of freedom to the world. The four-and-a-half hour documentary explores Ronald Reagan's life through the testimony of family, friends, historians, biographers and other witnesses to Reagan's private life and public career.*

***Reagan** was produced with unprecedented access to the Reagan family. Nancy Reagan agreed to be interviewed on camera for the first time since leaving the White House, as did three of Reagan's four children, and the family also provided home movies.*

***Reagan** is part of *The Presidents*, a sweeping view of the 20th century from inside the Oval Office, from *THE AMERICAN EXPERIENCE*, produced by WGBH Boston.*

*Executive Producer: Margaret Drain. Senior Producer: Mark Samels. Host: David McCullough
Producers for **Reagan**: Austin Hoyt and Adriana Bosch.*

Touch the Past

PALEOWORLD

Journey under the earth and unravel subterranean mysteries. Go on a real dinosaur dig in Anne

Arundel County, MD. Stare in awe at "Discovery-Rex," a cast of the world's largest Tyrannosaurus skeleton ever assembled. Stand in the shadow of an 8-foot Ice Age Cave Bear from the Ural Mountains.

Touch a wall of 50 million-year-old fossils. Learn how a bubble of gas in molten

rock became a glittering geode. Investigate the fascinating stories behind rare gems and precious artifacts. Listen to the rumbling of the earth as you step aboard the elevator for a sonic ride to...

Travel the Earth

OCEANPLANET & WILDDISCOVERY

Delve into the history of the last 150 years in the Chesapeake Bay. Unlock the mysteries of shipwrecks and the perils of filming these ghosts of the ocean floor. Experience the search for the Titanic

and the tales behind the tragedy.

Touch the cultures of the world at a Moroccan Bazaar. Venture through the streets of Istanbul. View an exhibit of

Tramp Art and the wonders of super whittling. Learn how spiders, beavers, wasps and pandas build their homes. Witness hundreds of ants building

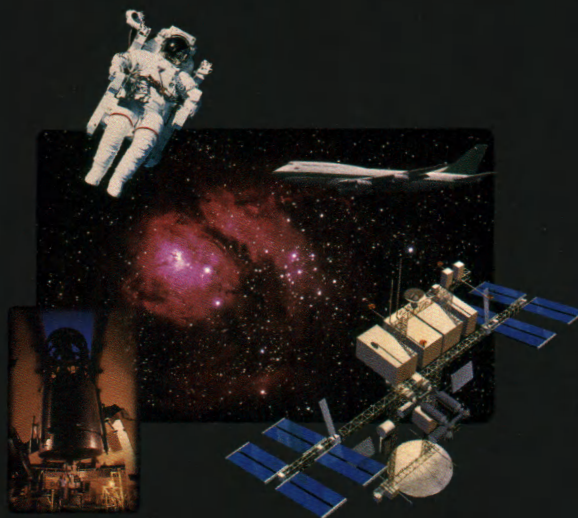

a floor-to-ceiling colony. Thrill to extreme filmmaking in Australia. Join an Eco-Challenge team and feel the adrenaline rush. Let your imagination run wild to...

See the Future
SKY & SPACE

Step inside an airplane cowl and test your aircraft identification skills in the interactive game, Planespotter. Meet real spies and learn how to use the real-life tools of the undercover

trade. Climb inside the fuselage of a WWII B-25 Billy Mitchell bomber and hear a mission in progress.

Compare the rings of Saturn through different types of telescopes.

Go behind the scenes with crews filming the wildest weather on the planet. Watch your children delight at generating electricity with their hands.

Marvel at aston-

ishing images of the universe taken by the Hubble Space Telescope. Gaze at the celestial ceiling's bursting novas, twinkling stars, streaking comets and orbiting planets.

Imagine

a Place Where You Can...

Gaze at the world's largest T-Rex Sing with the whales
Fly a WWII bomber Wrap up a mummy Explore a rain forest
See through the eyes of Discovery film crews.

A place where you can touch every corner of the globe.

Your family is invited to be the first to go behind the scenes of our world.
