Dear Joe:

Thank you for your recent letter in which you suggest a possible meeting with Captain Sarosdy, Commanding Officer of the Naval Air Rework Facility in San Diego and a tour of the facility.

Your suggestion is an excellent one, but unfortunately my schedule is such that I will not be arriving in San Diego until late Friday evening, April 25, 1975.

I would certainly like to get together with you late Saturday morning or early Saturday afternoon and to plan a future trip to San Diego to cover a tour of the Naval Air Rework Facility, a visit with Captain Sarosdy and a get-together with Spanish speaking employees of the facility. Also, I have requested the Bureau of Customs and the Immigration and Naturalization Service to prepare briefings and site visits for a future trip to the San Diego area.

See you in San Diego.

Estimado Fernando:

It has come to my attention that you will be the keynote speaker at the installation dinner of the Spanish Speaking Political Association on 26 April 1975. As usual it will be good to see you in San Diego.

You will recall that our Commanding Officer, Captain Sarosdy was in Washington last month and I called your office hoping that you would have an opportunity to meet him as he had planned a visit with Don Rumsfeld while there. He was unable to make connections with Don and then had to get back to San Diego.

On your visit here for the Spanish Speaking Political Association installation, I should like to invite you to visit with Captain Sarosdy and perhaps with some of the Spanish-speaking employees of our facility. In addition, we should like to extend an invitation for a tour of the Naval Air Rework Facility. Please let me know if it will be possible to accept our invitation. It will be our pleasure to have you as our guest.

Felicidades,

JOE D. CASILLAS
Spanish Speaking Program Coordinator
