Dear Mr. Britton:

Thank you for your letter of April 28, 1975. We are pleased that you found Informacion para el Consumidor of interest. And your order form has been forwarded to the GSA, Consumer Information Center.

With regard to your Center being interested in the possibility of using Spanish as a "second language," you should be heartened to know that there is a strong interest in bilingual education throughout the entire country. For example, the University of Washington in Seattle, College of Education (Dean, Frederic T. Giles) is interested in preparing teachers and other personnel who can relate to the needs of students from various cultural and ethnic backgrounds. At this time they are actively engaged in developing programs that relate to Chicano students.

Perhaps one of your best sources of information would be

Dr. John C. Molina, Director
Division of Bilingual Education
U. S. Office of Education
7th and D Streets, S. W. - Room 3600
Washington, D. C. 20202

Best wishes to you at the Opportunities Industrialization Center, Inc. for a successful program.

Sincerely,

Fernando E. C. De Baca
