Dear Fernando:

It was a pleasure meeting with you. David, Leonard and I appreciated the time that you took from your busy schedule to meet with us.

We certainly appreciate your response to our request for assistance. Your efforts on our behalf enabled us to meet with the proper people. We feel confident that as a result of this we have a good chance at succeeding with our program.

I have written to Steve Mollett suggesting that it would be nice if we could get together for a drink one evening. Our plans call for Leonard and me to be in Washington on March 5 through March 7. If you schedule allows you, it would be a pleasure if you could join us. I will call you on Monday or Tuesday to arrange for a meeting.

Once again thank you, and I look forward to seeing you again.

With best regards,

*Jesse Bojorquez*

Dear Fernando:

I would like to thank you again for the assistance you have given us to date with the SBA regarding our MESBIC application. Without your help we could not have reached this level of success. We feel, however, that we will need your continual assistance until we accomplish the goal of acquiring and implementing the MESBIC.

The MESBIC will enhance not only our organization but will provide additional financing to many deserving minority businessmen. We are most enthused with this program and feel we can make it most successful.

In addition, we will attend the March 14 discussion on minority business and will provide you with a brief summary of our conclusions of the conference.

Again, we thank you for your time and interest in our organization

With best regards,

Jesse Bojorquez
