Fernando DeBaca
Special Assistant to the President
The White House
Washington, D.C.

Dear Mr. DeBaca,

Thank you again for your participation in NACo's 1975 Western Region Conference in Bernalillo County last month.

We appreciate your participation even more because we know how difficult it was for you to arrange your travel schedule so you could be in New Mexico with us.

More than 450 county officials attended the conference and I know they appreciated your candid remarks about NACo's legislative priorities. NACo is also most interested in your comments about the "illegal" alien situation and how counties may be able to help you to address this nationwide dilemma.

Thank you again and please let me know if there is any way we can assist you in your endeavors at the White House.

Sincerely,

A handwritten signature in cursive script that reads "Jim Evans".

Jim Evans
Western Region Representative

P.S. Attached is an article from COUNTY NEWS about the Conference and your participation.
