GENERAL PASSENGER INFORMATION

TRAVEL TIP: We recommend that you plainly mark all your baggage with your name, home address and telephone number. This will help to identify and return your baggage in the event it is temporarily misplaced.

NOTICE: Liquids and fragile items, such as cameras and portable radios, as well as articles not suitably packed, are carried at the passenger's risk. No claims for damage to, or caused by, such articles will be considered when they are a part of the contents of checked baggage.

BOARDING RULE: Eastern reserves the right to cancel the reservation of any passenger who fails to present himself at the airport loading gate at least 10 minutes* prior to the scheduled departure time of the flight on which the reservation was made.

FLIGHT CONNECTIONS: If you are connecting to an Eastern flight and your baggage has already been checked to your final destination, go directly to the boarding gate at the connecting point. You do not have to recheck at the ticket counter.

INTERNATIONAL RECONFIRMATION: On an international itinerary (including Bahama Islands, Bermuda, Mexico, and Jamaica), if you break your journey for more than 72 hours at any point, you must reconfirm your continuing or return reservation. Failure to do so at least 72 hours prior to departure of your flight, will subject reservation(s) to cancellation. To reconfirm simply advise Eastern, by telephone or in person, of your intention to use your reservation(s).

*A passenger holding Leisure Class reservations must present his ticket specifying the conditional reserved space at the boarding point at least 20 minutes prior to the scheduled departure time of the flight.

NOTICE

If the passenger's journey involves an ultimate destination or stop in a country other than the country of departure the Warsaw Convention may be applicable and the Convention governs and in most cases limits the liability of carriers for death or personal injury and in respect of loss of or damage to baggage. See also notice headed "Advice to International Passengers on Limitation of Liability."

CONDITIONS OF CONTRACT

1. As used in this contract "ticket" means this passenger ticket and baggage check, of which these conditions and the notices form part, "carriage" is equivalent to "transportation", "carrier" means all air carriers that carry or undertake to carry the passenger or his baggage hereunder or perform any other service incidental to such air carriage, "WARSAW CONVENTION" means the Convention for the Unification of Certain Rules Relating to International Carriage by Air signed at Warsaw, 12th October 1929, or that Convention as amended at The Hague, 28th September 1955, whichever may be applicable.

2. Carriage hereunder is subject to the rules and limitations relating to liability established by the Warsaw Convention unless such carriage is not "international carriage" as defined by that Convention.

3. To the extent not in conflict with the foregoing carriage and other services performed by each carrier are subject to: (I) provisions contained in this ticket, (II) applicable tariffs, (III) carrier's conditions of carriage and related regulations which are made part hereof (and are available on application at the offices of carrier), except in transportation between a place in the United States or Canada and any place outside thereof to which tariffs in force in those countries apply.

4. Carrier's name may be abbreviated in the ticket, the full name and its abbreviation being set forth in carrier's tariffs, conditions of carriage, regulations or timetables; carrier's address shall be the airport of departure shown opposite the first abbreviation of carrier's name in the ticket; the agreed stopping places are those places set forth in this ticket or as shown in carrier's timetables as scheduled stopping places on the passenger's route; carriage to be performed hereunder by several successive carriers is regarded as a single operation.

5. An air carrier issuing a ticket for carriage over the lines of another air carrier does so only as its agent.

CARRIER RESERVES THE RIGHT TO REFUSE CARRIAGE TO ANY PERSON WHO HAS ACQUIRED A TICKET IN VIOLATION OF APPLICABLE LAW OR CARRIER'S TARIFFS, RULES OR REGULATIONS Issued by the Carrier whose name is in the "Issued By" section on the face of the Passenger Ticket and Baggage Check.

SOLD SUBJECT TO TARIFF REGULATIONS

6. Any exclusion or limitation of liability of carrier shall apply to and be for the benefit of agents, servants and representatives of carrier and any person whose aircraft is used by carrier for carriage and its agents, servants and representatives.

7. Checked baggage will be delivered to bearer of the baggage check. In case of damage to baggage moving in international transportation complaint must be made in writing to carrier forthwith after discovery of damage and, at the latest, within 7 days from receipt; in case of delay, complaint must be made within 21 days from date the baggage was delivered. See tariffs or conditions of carriage regarding non-international transportation.

8. This ticket is good for carriage for one year from date of issue, except as otherwise provided in this ticket, in carrier's tariffs, conditions of carriage, or related regulations. The fare for carriage hereunder is subject to change prior to commencement of carriage. Carrier may refuse transportation if the applicable fare has not been paid.

9. Carrier undertakes to use its best efforts to carry the passenger and baggage with reasonable dispatch. Times shown in timetable or elsewhere are not guaranteed and form no part of this contract. Carrier may without notice substitute alternate carriers or aircraft, and may alter or omit stopping places shown on the ticket in case of necessity. Schedules are subject to change without notice. Carrier assumes no responsibility for making connections.

10. Passenger shall comply with Government travel requirements, present exit, entry and other required documents and arrive at airport by time fixed by carrier or, if no time is fixed, early enough to complete departure procedures.

11. No agent, servant or representative of carrier has authority to alter, modify or waive any provision of this contract.

ADVICE TO INTERNATIONAL PASSENGERS ON LIMITATION OF LIABILITY

Passengers on a journey involving an ultimate destination or a stop in a country other than the country of origin are advised that the provisions of a treaty known as the Warsaw Convention may be applicable to the entire journey, including any portion entirely within the country of origin or destination. For such passengers on a journey to, from, or with an agreed stopping place in the United States of America, the Convention and special contracts of carriage embodied in applicable tariffs provide that the liability of certain carriers, parties to such special contracts, for death of or personal injury to passengers is limited in most cases to proven damages not to exceed U. S. \$75,000 per passenger, and that this liability up to such limit shall not depend on negligence on the part of the carrier. The limit of liability of U. S. \$75,000 above is inclusive of legal fees and costs except that in case of a claim brought in a country where provision is made for separate award of legal fees and costs, the limit shall be the sum of U. S. \$58,000 exclusive of legal fees and costs. For such passengers traveling by a carrier not a party to such special contracts or on a journey not to, from, or having an agreed stopping place in the United States of America, liability of the carrier for death or personal injury to passengers is limited in most cases to approximately U. S. \$10,000 or U. S. \$20,000. The names of carriers, parties to such special contracts, are available at all ticket offices of such carriers and may be examined on request. Additional protection can usually be obtained by purchasing insurance from a private company. Such insurance is not affected by any limitation of the carrier's liability under the Warsaw Convention or such special contracts of carriage. For further information please consult your airline or insurance company representative.

NOTICE OF BAGGAGE LIABILITY LIMITATIONS

Liability for loss, delay, or damage to baggage is limited as follows unless a higher value is declared in advance and additional charges are paid: (1) For most international travel (including domestic portions of international journeys) to approximately \$9.07 per pound (\$20.00 per kilo) for checked baggage and \$400 per passenger for unchecked baggage; (2) For travel wholly between U.S. points, to \$500 per passenger on most carriers (a few have lower limits). Excess valuation may not be declared on certain types of valuable articles. Carriers assume no liability for fragile or perishable articles. Further information may be obtained from the carrier.
