Dear Mr. *Fernando De Baca*:

Just a short note to let you know of my deep appreciation for your participation in our Hicks Camp dedication and for allowing us to show you around to get a slight insight as to some of the problems in the First District.

During our tour, you had mentioned the possibility of locating some funding sources or pots of money within some of the Federal agencies. I would be pleased if you could relay any information to me so that we might follow-up on this.

Also, you brought up that the President's advance man, Mr. Paul Cavaney, would be coming to Los Angeles to set up some visitations for President Ford. Would you please let Mr. Cavaney know our position and see if he could work us into his schedule.

Once again, it was a pleasure to be a host to you while you were in Los Angeles. Please feel free to call upon me if I may be of any assistance.

Sincerely yours,

PETE SCHABARUM
Supervisor, First District
