RE: Phone call from Mr. Riberto Moreno, Miami
(305) 264-2567

HIS PROBLEM: Son has been applying to different medical schools in Illinois. Is finding competition rather rough. Feels son is getting pushed out because of being Spanish Speaking (Cuban) Currently son goes to Wheaton College Wheaton, Illinois/ is only Latino in school. Mr. Moreno has been told that recommendations from Senators and Representatives are not any good for his son's application. Was recommended to the Chicano Health Organization but feels they're not interested in helping Cuban people.

Wants to know if you or someone else can help get his son accepted to medical school.

Mr. De Baca:

Yesterday (Thurs., Jan. 30) while I was busily typing away, I took two phone calls for you which I didn't have a chance to write up and give to you. They are as follows:

Charlene Hemming: Says there is a stand-off between Wall and Meeker for Secretary--you should push Meeker. On the other hand, Floyd Hyde may be returning ~~for the~~ if the standoff continues., at which time Gilda should be pushed for Assistant Secretary for Equal Opportunity. Let her know what to do. !!

Dr. Tsu, Director of Chinese - Japanese Bilingual Institute, Seton Hall University, South Orange, New Jersey 07079 - Phone: 201/762-9000, ext. 505 called re: a bilingual briefing which he heard was going to be held here at the White House. Would appreciate any information you could provide him with concerning this.
