President of the United States  
The White House  
Washington, D.C.

Dear Mr. President:

I am deeply sorry for your loss. You have a strong resiliency and I am hopeful that you and the family will recover quickly. I am hopeful that the country may recover as quickly.

On behalf of the State of Indiana and the Indiana Washington Office, I wish to thank you for the many fine things in which you have assisted us. We always knew we had a true friend in the White House during your tenancy. I think that the coming four years are going to be less than easy for the State and the country.

We in Indiana do take heart in the fact that we were the first State to be recognized as one which supported you. Regrettably, some of our sister states didn't follow suit. We have enjoyed your friendship and sincerely hope that we shall have the opportunity to meet again.

Very truly yours,
