Dear Mr. President:

ME
I have been proud to see the tremendous leadership you have given the nation. This country would have been blessed to have it for another four years.

Many, many people will never forget that Gerald Ford took the reins of a despondent and disillusioned America, and brought it around to celebrate our Bicentennial with pride and expectation for the future.

With the Republican Party being such a small percentage of the population, it's a great tribute to you that a Republican candidate should get so many votes.

I'm sure the country still needs your special kind of ability and dedication.

Gretchen and I send our love and friendship to you, Betty and your family, and will keep in touch.

Sincerely,

ALBERT H. QUIE
