Mr. Herbert Stein
Council of Economic Advisers
Executive Office Building
Washington, D.C.

Dear Herb:

This is to inform you that, unfortunately, the AFL-CIO has been compelled to cancel the meetings scheduled for April 13-15 at the Greenbrier Hotel in White Sulphur Springs, W.Va., in which you had kindly agreed to participate.

Our difficulty was that altogether too many members of our Committee and the AFL-CIO Executive Council reported to us their inability to attend, due to prior commitments on those dates. A check of registrations and a thorough telephone check of all our people indicated that attendance would not be sufficient for a successful conference.

We plan to consider rescheduling the sessions on more suitable dates for the members of our Committee and Executive Council.

I hope that the cancelling of our meetings does not cause you any inconvenience and that we may feel free to call on you again.

With best wishes.

Sincerely yours,

Nat Goldfinger, Director
Department of Research
