CONFIDENTIAL STATEMENT OF EMPLOYMENT AND FINANCIAL INTERESTS

For use by an officer or employee as required by section 402 of Executive Order 11222, dated May 8, 1965, Prescribing Standards of Ethical Conduct for Government Officers and Employees.

GENERAL REQUIREMENTS.

The information to be furnished in this statement is required by Executive Order 11222 and the regulations of the Civil Service Commission issued thereunder and may not be disclosed except as the Commission or the agency head may determine for good cause shown.

The Order does not require the submission of any information relating to an employee's connection with, or interest in, a professional society or a charitable, religious, social, fraternal, recreational, public service, civic, or political organization or any similar organization not conducted as a business enterprise and which is not engaged in the ownership or conduct of a business enterprise. Educational and other institutions doing research and development or related work involving grants of money from or contracts with the Government are deemed to be "business enterprises" for purposes of this report and should be included.

The information to be listed does not require a showing of the amount of financial interest, indebtedness, or the value of real property.

In the event any of the required information, including holdings placed in trust, is not known to you but is known to another person, you should request that other person to submit the information on your behalf and should report such request in Part IV of your statement.

The interest, if any, of a spouse, minor child, or other member of your immediate household shall be reported in this statement as your interest. If that information is to be supplied by others, it should be so indicated in Part IV. "Member of your immediate household" includes only those blood relations who are full-time residents of your household.

[An agency may supplement these general requirements with special requirements of general applicability and with instructions relating to (1) who must file a statement, (2) when to file a statement, and (3) where to file a statement.]

CONFIDENTIAL STATEMENT OF EMPLOYMENT AND FINANCIAL INTERESTS

For use by an officer or employee as required by section 402 of Executive Order 11222, dated May 8, 1965, Prescribing Standards of Ethical Conduct for Government Officers and Employees.

GENERAL REQUIREMENTS.

The information to be furnished in this statement is required by Executive Order 11222 and the regulations of the Civil Service Commission issued thereunder and may not be disclosed except as the Commission or the agency head may determine for good cause shown.

The Order does not require the submission of any information relating to an employee's connection with, or interest in, a professional society or a charitable, religious, social, fraternal, recreational, public service, civic, or political organization or any similar organization not conducted as a business enterprise and which is not engaged in the ownership or conduct of a business enterprise. Educational and other institutions doing research and development or related work involving grants of money from or contracts with the Government are deemed to be "business enterprises" for purposes of this report and should be included.

The information to be listed does not require a showing of the amount of financial interest, indebtedness, or the value of real property.

In the event any of the required information, including holdings placed in trust, is not known to you but is known to another person, you should request that other person to submit the information on your behalf and should report such request in Part IV of your statement.

The interest, if any, of a spouse, minor child, or other member of your immediate household shall be reported in this statement as your interest. If that information is to be supplied by others, it should be so indicated in Part IV. "Member of your immediate household" includes only those blood relations who are full-time residents of your household.

[An agency may supplement these general requirements with special requirements of general applicability and with instructions relating to (1) who must file a statement, (2) when to file a statement, and (3) where to file a statement.]
